

INTERNAL QUALITY ASSURANCE CELL

STUDENT SATISFACTION SURVEY REPORT 2019-2020

H.R. COLLEGE OF COMMERCE AND ECONOMICS

Accredited 'A' Grade by NAAC

Hassaram Rijhumal College of Commerce and Economics, commonly known as H.R. College, is located in Churchgate, Mumbai. It is run by the Hyderabad National Collegiate Board and is affiliated to the University of Mumbai.

At H.R. College our goal is to pursue global standards of excellence in teaching learning, extension activities and research endeavours through capacity building quality initiatives. The college has an enrolment of more than 6000 students across its junior college and degree college where it offers B.Com, B.M.S., B.A.F., B.F.M., B.B.I., B.M.M., B.Voc at undergraduate level and M.Com in banking and insurance, business management and advanced accounting at post graduate level. It also offers Ph.D. courses in business economics and business policy and administration.

The institution has a robust approach towards feedback and the system is supervised by members of IQAC. The Internal Quality Assurance Cell (IQAC) at H.R. College is composed of various faculty members and representatives of the management, industry and student body. The primary aim of IQAC is to promote quality in institutional functioning. The goal is to adopt measures that improve quality through institutionalization of best practices.

The feedback system allows real-time improvements and teaching learning innovation and overall institutional performance when any deficiencies in or potential improvements to individual components are identified by the stakeholders and need to be addressed rapidly. Evaluation is used to plan future revisions and other improvements in organisational performance. The institution adopts the formative curriculum evaluation model. For this purpose, special feedback forms are made available physically and on the website of the college.

Our approach to continuous curricular evaluation involves planned meetings of student representatives with students, teachers and placement coordinators. Students make their observations on teaching style and content, adherence to the curriculum in special group sessions and the overall facilities of the institution provided to them. Thereafter, grey areas are identified and communicated through feedback. The students also suggest the ways of further improving the overall facility management of the institution. The institution adopts the open-door policy and hence the direct connect with the head of the institution is extended through principalconnect@hrcollege.edu where people can connect and talk about their concerns and for the further enhancement of facilities.

Data Collection and Analysis

The survey is prepared and conducted by Internal Quality assurance Cell (IQAC) with the support of heads and coordinators of all departments. Feedback forms were distributed to the student population through various modes including online forms and printed forms distributed and collected after college hours. There were 994 respondents to the survey conducted. The students were asked to include any additional suggestions that they would like implemented.

The responses obtained were compiled in a spread sheet, analysed and logical conclusions were drawn thereupon. The results of the survey help the college understand the short term as well as long term needs of students, identify deviations if any and initiate remedial action where required.

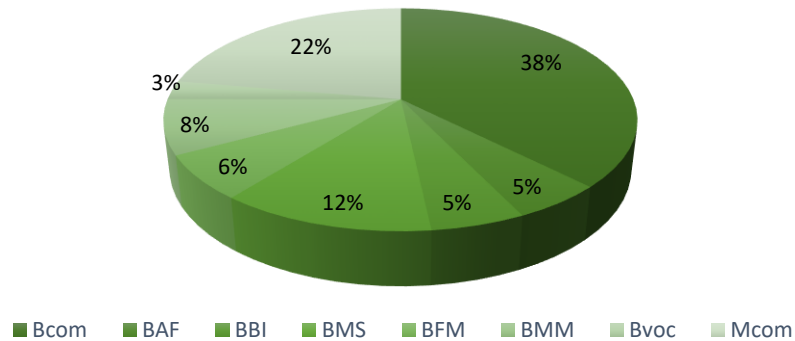

Student Profile

CHART 1: GENDER WISE CLASSIFICATION OF THE STUDENT RESPONDENTS

The chart given above depicts the gender wise classification of students who have responded to the survey. The distribution clearly depicts an equitable balance between both genders.

CHART 2: PROGRAM WISE CLASSIFICATION OF THE STUDENT RESPONDENTS

The chart given above depicts the program wise classification of students who have responded to the survey. Of the respondents, 38% were pursuing Bcom, 5% BAF, 5% BBI, 12% BMS, 6% BFM, 8% BMM, 3% Bvoc and 22% Mcom.

The committee is headed by I/C Principal Dr. Pooja Ramchandani with Dr. Geeta Nair being the member secretary of the committee and Ms Anjalli Vachhani its member. The details of the committee are present on the college website along with a form which can be used to file a complaint/ grievance.

VI. SUGGESTIONS

H.R. College places great emphasis on continuous improvement through effective quality management measures. In line with this goal the college seeks feedback and suggestions from the students beyond the questions listed in the survey. The students are open to add additional comments or suggestions that they would like the college to consider and implement. The suggestions provided by the students included inter alia, increased information and communication with respect to certificate programs and scholarships, increased internship drives and collaborations with more companies, improved medical facilities, increased industrial visits and field trips, better canteen facilities, better maintenance of restrooms etc.

These suggestions have been taken under the advisement of the college. Steps have been taken by the administration to implement the same.

VII. CONCLUSIONS AND FINDINGS

In order to obtain feedback from the student body and accurately identify and analyse areas of improvement, IQAC conducts an annual 'Student Satisfaction Survey' gauging the level of satisfaction of the student body with respect to the facilities and functioning of the college. The outcome of the survey serves as a base for future planning.

The survey responses and feedback provided by the respondents covered various aspects such as curriculum enhancements, project ideas and amenities and resources available to the students. The college has analysed this data to gain insights into the mindset of the student body and understand their needs and concerns and identify areas of improvement.

On the academic front the students were satisfied with the research support and opportunities provided by the college. The students found the faculty approachable and supportive.

The students appeared to be content with the growth opportunities provided by college in form of internships, placements and industrial visits however few students expressed they would like for more industrial visits to be conducted.

There appears to be adequate contentment among students with regards to the facilities and amenities provided by the college.

The students were satisfied with the administrative efficiency of the college and its effort to ensure smooth admission process. The students found the grievance redressal system of the college to be effective and efficient.

The college is delighted to note that on an overall basis the student body displays a positive sentiment towards the college.

The IQAC sincerely thanks all the members of the management, principal and heads of the departments and staff, coordinators for their cooperation in conduct of the survey. IQAC also extends a sincere thanks to all students for their active participation in survey and their valuable feedback.
