The goal of H.R. College has been to design an education to help students meet the challenges and opportunities that await students as they make their way in the world as citizens and as leaders, to equip them to succeed and flourish and to live useful, creative, responsible and reflective lives.

At H.R. There is also a thrust on social responsibility in the college with students being encouraged to participate actively in social work and build sensitivities to the world outside their college which is not as privileged.

As Principal of H.R. College, I take this opportunity in welcoming you all to the college and do hope that you will have ample opportunities for continued intellectual and personal growth.
