

ALUMNI MEET

March 16, 2019

H.R. College of Commerce & Economics organised the Alumni Meet hosted by The Students' Council of H.R. College, inviting alumni from the batches of 1960 to 2010; giving them an opportunity to engage with peers, build new networks and reconnect with the institute that has been instrumental in their personal and professional development.

There were approximately 200 alumni that graced this occasion. A live band constantly entertaining the alumni, various refreshment and club stalls, a tour of the college organized by the students, a walk through the decades and the exhibition of the college's achievements made this day a delightful experience for the alumni.
