From the President's Desk

*Mr. Kishu Mansukhani,
President & Trustee, HSNC Board.*

HR College, situated in the heart of South Mumbai, a premier institution of higher education accredited 'A' by NAAC, is the pride of the entire HSNC family.

HR College has become a leading constituent college of HSNC University, Mumbai. The HSNC University is a cluster university notified by the Government of Maharashtra providing a lot of opportunities for academic freedom, inter-disciplinary education, and professional skills training for enhanced employability and entrepreneurship required to excel in this highly competitive world.

The focus is already shifting from 'teaching culture' to 'learning culture'. The Pandemic has taught us how technology can be used in education. HR College seeks to strengthen tech-based education as entire teaching, learning and examinations are now increasingly going to be digitized.

I congratulate the entire staff for being in tune with the needs of the education sector which will undergo radical transformation with the implementation of the “New Education Policy” in India.

The contribution of faculty staff members, students, and other stakeholders of this esteemed college truly contribute to spreading awareness about the sweeping changes that are taking place in the education sector.

I wish the Principal and the College team “all the best” for their future endeavours at HSNC University.

Academic Achievers & Annual Prize Distribution Ceremony of the College held on April 5, 2022: Chief Guest Mr. Kishu Mansukhani, trustee and current President of Hyderabad (Sind) National Collegiate Board has been associated with HR College since 1974. On behalf of the college, Principal Dr. Pooja Ramchandani presented Mr. Mansukhani with a Lifetime Achievement Award for his lifelong commitment to higher education, demonstrating excellence in educational service, leadership, and for motivating, inspiring & mentoring the College. Guest of Honour Capt. B.K. Tyagi, Director, Liner & Passenger Services Division, The Shipping Corporation of India Ltd., honoured Mr. Mansukhani along with the principal.

*Dr. Pooja Ramchandani
Principal*

I would like to welcome all of you to the academic year 2022-23. I hope each of you had a restful and productive holiday break and are ready for the challenges of a new year! I am grateful for all how all of the members of the H.R. community are finding their way amidst the pandemic and constantly changing circumstances. The last two years have been very challenging terms, beginning with online classes and then moving back to in-person. These transitions are never easy, especially on top of the usual demands of exams, assignments, etc. Through it all, you all have displayed great tenacity and determination. I am so proud of each one of you.

Rigor, Relevance, and Relationship are the three building blocks that we have constantly used to make H.R. a center of excellence. Our college has produced very talented students who have commendable achievements to their credit in academics, sports, and extra-curricular activities. We intend to hasten even more the process of turning you into responsible, creative, positive, and contributing citizens of our Global Village.

By enrolling at H.R. you have proved to be wise and savvy investors because you are making an investment that will return benefits to you for years to come. You are investing in yourself! Be assured the best of the future awaits you, once you pass out of this campus and all you have to do is to stay motivated and dedicated to your career and success. Thank you, as always, for being HR in the world. In times like these, I am especially grateful for who you are and what you do to make a difference.

Principal with her Students

About the College

H.R. College of Commerce & Economics echoes the vision of Dr. Sarvepalli Radhakrishnan at the dawn of Independence that, “India's future will be shaped in her classrooms.”

Consistently committed to the pursuit of knowledge and creation of value, H.R. College of Commerce and Economics has been at the helm of excellence in education. H.R. College is currently Lead and Constituent College under Hyderabad (Sind) National Collegiate University (HSNCU), Mumbai (Established under Section 3(6) of the Maharashtra Public Universities Act, 2016; Government of Maharashtra Notification dated October 30, 2019).

The college received an 'A' grade in September **2002** by the **National Accreditation and Assessment Council (NAAC)**. In January **2008**, the college applied for re-accreditation under NAAC and was awarded an 'A' grade with a CGPA of **3.46**. In January 2013, the college was awarded an 'A' grade with a CGPA of **3.72**, the highest in India as of now. The College has been recognized by the UGC as a College with Potential for Excellence in 2016. Presently the college is involved in the preparations for the fourth cycle of NAAC.

The **mission** of the college is to develop leaders with a heart who are inquiring, intelligent, sensitive, empathic, committed to learning, and embody strong personal values. The college adopts a holistic approach to inculcate community service and responsible citizenship in the students by encouraging participation in social, cultural, and sports activities along with academic rigor.

The college prides itself on building effective relationships with

all its stakeholders, especially in the corporate world. Strong academia-industry linkages have manifested into efficient student placements and faculty support. A thrust on internationalization through global immersion has resulted in greater teacher-student mobility and the adoption of global best practices.

The admission process followed by the college has been emulated as a best practice by several other colleges in Mumbai. The college has introduced several new post-graduate and undergraduate programs in the last five years. There has been a great thrust on research, consultancy, and extension activities in the college. A significant development in the college has been infrastructure development with state-of-the-art conference room, seminar room, library, and classrooms, which are equipped with techno-savvy multimedia facilities.

Continuous monitoring and evaluation of student progress are made through project work in all subjects, online tests, and class presentations. Innovative methods to increase class participation, examination reforms, and faculty development have been some of the other measures to make teaching-learning effective. Regular academic audit of performance has been strengthened and now identifies advanced learners, as well as slow learners, and 360-degree feedback of faculty helps in strengthening teaching-learning and evaluation.

The results of students have been outstanding at the university examination & there has been a steady rise in the 'O' & 'A' Grades. The College results have always been higher than the average results in the city.

Student-Centric Learning

A host of instruction methods are deployed to make teaching-learning holistic and effective.

H.R. College believes in the policy stated by Phil Collins - “In learning you will teach and in teaching you will learn”, and hence the instructional paradigm has shifted from a teacher-centered model to a learner-centered approach shown below. The college has clearly perceived that student-centered methods have proved to be superior to the traditional teacher-centred approaches. The learner-centric approach facilitates critical thinking and creative problem-solving skills among students.

The **student-centric** model leads to student empowerment. The students on their part assume more responsibility of learning. Active learning is achieved by the introduction of interactive methods such as project work, class assignments, group work, and working in pairs, role play, brainstorming and use of case studies. The student-centric model adopts various strategies that help students acquire life skills, knowledge management skills and lifelong learning.

Some of these strategies are:

- Introduction of **Certificate Courses** like Advanced Excel, Tally, and Social Media Marketing; Sound and Video editing; Power BI and Certificate Course on GST; besides Summer Schools and Corporate Seminars which cover a wide range of dynamic courses reflecting emerging trends.
- Organizing **Distinguished Lecture Series** where professionals from leading organizations deliver lectures in the college and educate students on the dynamics of the real world i.e. Seminar on Big Data, Business Intelligence & Analytics; Panel Discussion on Goods and Services Tax; and Seminar on Budget Analysis.
- Creating Partnerships with industry, NGOs and other stakeholders to bring communities to the classrooms.
- Instituting state-of-the-art infrastructure and modern teaching learning methodology to make knowledge acquisition effective.
- Encouraging students to undertake internships to acquire a hands-on learning experience.
- Training students in various foreign languages such as German, Spanish, South Korean, Japanese to name a few, along with regional languages.
- Training faculty in developing student-centered teaching learning techniques. Several training programmes have been organized like Research Methodology & Data Analysis through SPSS; BFSI Industry: Recent Trends & Future Outlook; Research Ethics & Academic Writing; Citation Metrics, etc.

The Academic Achievers & Annual Prize Distribution ceremony April 5, 2022 witnessed a multitude of talented student leaders get their due acknowledgment and recognition for keeping the H.R. College flag flying high.

Educational Pedagogy

International Economics Convention, Inter-collegiate Festivals & Summer Schools offer interesting opportunities for cross-cultural youth learning.

The educational pedagogy at the college is designed and developed to ensure that all graduates obtain a set of key skills and attributes to assist them in their professional and academic careers as well as their personal lives.

The college aims at producing:

Professionals who are:

- capable of independent thinking.
- analytical, critical, and reflective in their thought process.
- practical and rational in approaching problems.

Active Global Citizens who are:

- attuned to cultural diversity.
- capable of applying their discipline in local, national and international contexts.
- culturally aware and capable of respecting diversity and acting in socially just/responsible ways.

Scholars who are capable of:

- independent, self-directed practice.
- lifelong learning.
- operating within an agreed Code of Practice.

Leaders who are:

- enterprising, innovative and creative.
- capable of initiating as well as embracing change.
- collaborative team workers.

Socially sensitive individuals who:

- are sensitive to issues of exclusion, equity and justice.
- respect environment and are community responsive.
- value work and social ethics.

The Chief Guest Mr. Santosh Kumar Pandey, Deputy General Manager, SBI; along with the Guest of Honour, Mr. Aditya Agarwal, Managing Director, Morning Star; Principal Dr. Pooja Ramchandani, and Vice-Principal Dr. Navin Punjabi graced the Degree Distribution ceremony.

Important Information

INSTITUTIONAL WEBSITE

The college website www.hrcollege.edu gives a snapshot of the entire college. The website lists out rules & regulations of the admission process. The college puts up FAQ's on its website. All important notices, examination schedules and all types of information and announcements are displayed on the website from time to time.

INTERNAL QUALITY ASSURANCE CELL

Adhering to its motto, "Identify, Instill, Imbibe, Improvise and Innovate", the Internal Quality Assurance Cell of the college has aligned all its systems for ensuring better quality management. The IQAC of H.R. College aims at raising the bar in all the academic activities. The IQAC has a multi-level Quality Management initiative for the college. At one level, it sensitizes the faculty, the non-teaching and other staff of the college. On the other hand, it elevates and seeks to create a desirable and encouraging environment for students.

The IQAC comprises of faculty members who have earned respect for integrity and excellence in teaching and research, while at the same time are aware of the ground realities.

The IQAC undertakes programmes to motivate faculty members and to reorient their teaching styles to suit the needs and interests of the students. The aim is to draw students to attend classes in large numbers.

Thus continuous efforts are undertaken by the IQAC to improve the quality of teaching and learning in the college thus benefitting all stakeholders. The IQAC works hard towards coming up with new ideas and preparing innovative models to enhance the teaching-learning process.

COLLEGE MAGAZINE

'Voyager' is the annual college magazine. It takes the reader on a voyage of the achievements, activities and events of the staff and students for the year. It also contains articles and poems by staff and students. A copy of this is given to each student of the graduating batch.

Voice - an anonymous feedback and suggestion week was introduced providing a unique platform for collecting ideas and opinions from students, peons and teachers for the progress of the college.

Career Paths at H.R. College

Choice Based Credit System (CBCS)

The UGC has given the rationale for the introduction of the Choice-Based Credit System (CBCS) which highlights important features such as enhanced learning opportunities, ability to match learners' scholastic needs and aspirations, inter-institution transferability of learners (following the completion of a semester), part-completion of an academic program in the institution of enrolment and part-completion in a specialized (and recognized) institution, improvement in educational quality and excellence, flexibility for working learners to complete the program over an extended period, standardization and comparability of educational programs across the country, etc.

The CBCS represents a much-required change to a learner-centric education and facilitates self-paced learning. It also provides more flexibility to the learners allowing them to choose inter-disciplinary courses, change majors, programs, etc. The system also facilitates learner mobility as credits earned at one institution can be transferred to another.

The Definitions of The Key Terms Used in The Choice Based Credit System and grading System Introduced from The Academic Year 2020-2021 are as under:

1. **Core Course:** A course, which should compulsorily be studied by a candidate as a core requirement is termed a Core course.

2. **Elective Course:** Generally, a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/subject of study or which provides an extended scope or which enables exposure to some other discipline/subject/domain or nurtures the candidate's proficiency/skill is called an Elective Course.

2.1 **Elective Course** Elective courses may be offered by the main discipline/subject of study are referred to as Discipline Specific Elective. The University/Institute may also offer discipline-related Elective courses of interdisciplinary nature (to be offered by the main discipline/subject of study).

2.2 **Dissertation/Project:** An elective course designed to acquire special/advanced knowledge, such as supplement study/support study to project work, and a candidate studies such a course on his own with advisory support by a teacher/faculty member is called dissertation/project. A Project / Dissertation work would be of 6 credits. A Project / Dissertation work may be given in place of a discipline-specific elective paper.

2.3 **Generic Elective (GE) Course:** An elective course chosen generally from an unrelated discipline/subject, to seek exposure is called a Generic Elective. P.S.: A core course offered in a discipline/subject may be treated as an elective by another discipline/subject and vice versa and such electives may also be referred to as Generic Elective.

3. **Ability Enhancement Courses (AEC):** The Ability Enhancement (AE) Courses may be of two kinds: Ability Enhancement Compulsory Courses (AECC) and Skill

Enhancement Courses (SEC). "AECC" courses are the courses based upon the content that leads to Knowledge enhancement; SEC courses are value-based and/or skill-based and are aimed at providing hands-on training, competencies, skills, etc.

4. Choice Based Credit System (CBCS)

CBCS allows students to choose inter-disciplinary, intra-disciplinary courses, skill-oriented papers (even from other disciplines according to their learning needs, interests, and aptitude), and more flexibility for students.

5. Honours Program

To enhance employability and entrepreneurship abilities among the learners, through aligning Inter-Disciplinary / Intra Disciplinary courses with Degree programs. Honours Program will have 40 additional credits to be undertaken by the learner across three years essentially in Inter / Intra Disciplinary course.

A learner who joins Regular Undergraduate Program will have to opt for the Honours Program in the first year of the Program. However, the credits for honours, though divided across three years can be completed within three years to become eligible for the award of honours Degree.

6. **Program:** A Program is a set of courses that are linked together in an academically meaningful way and generally ends with the award of a Degree Certificate depending on the level of knowledge attained and the total duration of the study.

7. **Course:** A 'course' is essentially a constituent of a 'program' and may be conceived of as a composite of several learning topics taken from a certain knowledge domain, at a certain level. All the learning topics included in a course must necessarily have academic coherence, i.e. there must be a common thread linking the various components of a course. Several linked courses considered together are in practice, a 'program'.

8. Bridge Course

Bridge course is visualized as Pre semester preparation by the learner before the commencement of regular lectures. For each semester the topics, whose knowledge is considered essential for effective and seamless learning of topics of the Semester, will be specified. The Bridge Course can be conducted in online mode. Online content can be created for the Bridge Course Topics.

9. Module and Unit

A course that is generally an independent entity having its own separate identity is also often referred to as a 'Module' in today's parlance, especially when we refer to a 'modular curricular structure'. A module may be studied in conjunction with other learning modules or studied independently. A topic within a course is treated as a Unit.

10. Self-Learning

20% of the topics will be marked for Self-Learning. Topics for Self-Learning are to be learned independently by the

student, in a time-bound manner, using online and offline resources including online lectures, videos, library, discussion forums, fieldwork, internships, etc. Evaluative sessions (physical/online), equivalent to the credit allocation of the Self Learning topics, shall be conducted, preferably, every week for each course. Learners are to be evaluated in real-time during evaluative sessions. The purpose of evaluative sessions is to assess the level of the students' learning achieved in the topics earmarked for Self-Learning.

The teacher's role in these evaluative sessions will be that of a Moderator and Mentor, who will guide and navigate the discussions in the sessions, and offer concluding remarks, with proper reasoning on the aspects which may have been missed by the students, in the course of the Self-Learning process.

11. Credit Point

Credit Point refers to the 'Workload' of a learner and is an index of the number of learning hours deemed for a certain segment of learning. These learning hours may include a variety of learning activities like reading, reflecting, discussing, attending lectures/counselling sessions, watching especially prepared videos, writing assignments, preparing for examinations, etc. Credits assigned for a single course always pay attention to how many hours it would take for a learner to complete a single course successfully.

12. Credit Completion and Credit Accumulation

Credit completion or Credit acquisition shall be considered to take place after the learner has successfully cleared all the evaluation criteria concerning a single course. Learner's level of performance above the minimum prescribed level (viz. grades/marks obtained) has no bearing on the number of credits collected or acquired. A learner keeps on adding more and more credits as he completes successfully more and more courses. Thus the learner 'accumulates' course-wise credits.

Note: The Ordinances and Regulations given below apply to Under Graduate Programs of the University.

1. The minimum duration of the Under Graduate Programme will be of 3 years in the Semester pattern i.e. from Sem. I to Sem. VI.
2. The degree will be awarded to a learner who completes 120 credits of the program in a period of 3 to 6 years from the year of enrolment to semester VI.
3. If a learner does not earn 120 credits in 12 semesters from the year of enrolment to semester I, he/she may at his/her option transfer his/her performance in the existing/new program after establishing an equivalence between the old and new syllabus. Such a performance transfer will be decided by the Board of Studies / Ad-hoc Board / Ad hoc Committee of the concerned subject. Admission to the program will be governed by the existing rules.

THE SCHEME OF TEACHING AND EXAMINATION

The Scheme of Teaching and Examination shall be divided into TWO components, Internal assessment and External assessment (Semester-end examination) for each course of the program.

The performance of the learners shall be evaluated in two components:

Internal Assessment with 40% marks by way of continuous evaluation

Semester End Examination with 60% marks by conducting the theory examination.

Internal Assessment

It is defined as the assessment of the learners based on continuous evaluation as envisaged in the credit-based system by way of participation of learners in various academic and correlated activities in the given semester of the program.

Internal Assessment – 40%

40 marks

Theory Courses

Sr.No.	Particulars	Marks
1	ONE class test / online examination to be conducted in the given semester	(15 marks)
2	One assignment based on curriculum (to be assessed by the teacher Concerned)	(10 marks)
3	Self-Learning Evaluation	(10 marks)
4	Active participation in routine class instructional deliveries	(05 marks)

• Project and Assignment:

- Project or Assignment, which can in the following forms
 - Case Studies
 - Videos
 - Blogs
 - Research paper (Presented in Seminar/Conference)
 - Field Visit Report
 - Presentations related to the subject (Moot Court, Youth Parliament, etc.)
 - Internships (Exposition of theory into practice)
 - Open Book Test
 - Any other innovative methods

• Self-Learning Evaluation

- 20% of the topics of the curriculum are learned by the student through self-learning using online/offline academic resources specified in the curriculum. Hence 20% of the lectures shall be allocated for evaluation of students on self-learning topics.
- The identified topics in the syllabus shall be learned independently by the students in a time-bound manner preferably from online resources. Evaluative sessions shall be conducted by the teachers and will carry 10 Marks.

SEMESTER END EXAMINATION

It is defined as the examination of the learners based on performance in the semester-end theory / written examinations.

Semester End Examination- 60 %**60 Marks**

Duration – These examinations shall be of 2 hours duration.

Part III**PASSING STANDARD AND PERFORMANCE GRADING:****PASSING STANDARD**

The learners to pass a course shall have to obtain a minimum of 40% marks in aggregate for each course where the course consists of Internal Assessment & Semester End Examination. The learners shall obtain a minimum of 40% marks (i.e. 16 out of 40) in the Internal Assessment and 40% marks in Semester End Examination (i.e. 24 Out of 60) separately, to pass the course and a minimum of Grade D in each project, wherever applicable, to pass a particular semester. A learner will be said to have passed the course if the learner passes the Internal Assessment & Semester End Examination together.

Performance Grading

The PERFORMANCE GRADING of the learners shall be on the TEN point ranking system as under:

Grade	Marks	Grade Points	Performance
O	80 & above	10	Outstanding
A+	70 to 79.99	9	Excellent
A	60 - 69.99	8	Very Good
B+	55 to 59.99	7	Good
B	50 - 54.99	6	Above Average
C	45 to 49.99	5	Average
D	40 to 44.99	4	Pass
F	Less than 40	0	Fail

The performance grading shall be based on the aggregate performance of the Internal Assessment and Semester End Examination.

CARRYFORWARD OF MARKS IN CASE OF A LEARNER WHO FAILS IN THE INTERNAL ASSESSMENT AND/OR SEMESTER-END ASSESSMENT IN ONE OR MORE SUBJECTS:

1. A learner who PASSES in the Internal Examination but FAILS in the Semester End Examination of the course shall reappear for the Semester End Examination of that course. However, his/her marks of the Internal Examinations shall be carried over and he/she shall be entitled to the grade obtained by him/her on passing.
2. A learner who PASSES in the Semester End Examination but FAILS in the Internal Assessment of the course shall reappear for the Internal Examination of that course. However, his/her marks of the Semester End Examination shall be carried over and he/she shall be entitled to the grade obtained by him/her on passing.
3. **For Theory Courses**

In the case of a learner who is reappearing for the Internal Examination, the examination will consist of one project of 40 marks which will be divided into 20

marks for the documentation of the project, 10 marks for the presentation, and 10 marks for the viva and the interaction

ATKT Rules are read as under: -

- a. A learner shall be allowed to keep term for Semester II irrespective of the number of heads of failure in Semester I.
- b. A learner shall be allowed to keep term for Semester III- if he/she passes each of Semester I & Semester II

OR

A learner who fails in not more than four courses of Semester I and Semester II taken together with not more than two courses each in the semester I & II.

- c. A learner shall be allowed to keep term for Semester IV irrespective of the number of heads of failure in Semester III.

Ph.D. Centre

The Ph.D. Centre in Business Policy and Administration (Commerce faculty) was started under the able guidance of Dr. Ruki Mirchandani, who successfully guided thirteen research scholars. The centre now has four guides Dr. Pooja Ramchandani, Dr. Rita Khatri, Dr. Jaya Manglani and Dr. Navin Punjabi who specialise and guide students in research areas related to commerce, management and finance.

A new Centre for Ph.D. in Business Economics (Commerce Faculty) with five seats started functioning from March 6, 2014 under the guidance of Dr. Geeta Nair.

There has been a phenomenal rise in faculty research through minor and major research projects, publications, and conference presentations.

The college encourages collaborative research among students and faculty and a lot of students undertake joint research projects with their faculty mentor and primary researcher.

Ph.D. Coursework “Research Ethics & Academic Writing”

January 17-27, 2022

H.R. College of Commerce & Economics organized a ten-day Ph.D. course work on the zoom platform with Dr. Santosh C.H., University Librarian & Director, Publication Division, Central University of Haryana. 42 research scholars from colleges in Mumbai, Ratnagiri participated in the workshop. The workshop had an international presence, as there was one participant from Afghanistan.

Objectives of the Workshop were:

- To understand the key concepts in research methodology
- To examine the concept of appropriate research design
- To enable the participants to identify the research gaps for literature review
- To enhance the thesis writing skills
- To know how to write citations

Academic writing is a challenging task for research scholars. There is a need to identify the rationale for research, logical arrangement of the ideas and planning the structure of thesis. Research work needs innovation. Data mining and artificial intelligence are now key concepts that challenge the frontiers of research study. Substantial knowledge of statistics and Excel are primary requirements in the area of social sciences research. The challenges to effective writing call for clarity, precision and thoroughness. Research scholars need good understanding of ethics and its importance in research.

At the end of the coursework, participants gained a good amount of knowledge from eminent speakers in the areas of proposal writing and report writing. The knowledge disseminated by resource persons over the ten days during their sessions will undoubtedly go a long way in helping the research work of participants.

Citation Metrics

May 30, 2022

H.R. College of Commerce & Economics organised a webinar with Dr. Santosh C.H., University Librarian & Director, Publication Division, Central University of Haryana; on April 30, 2022.

Objectives of the session:

- To enhance participants knowledge about automated indexing tools
- To help research scholars write citations

Key Takeaways:

Participants immensely benefitted in the following areas:

- Citation indices, metrics
- Calculating impact & analysis
- Weighted Metrics & Prestige Metrics
- Calculation of h-index, iif, i-index, i-20 index
- Automated indexing Tools like CiteSeer, GS
- Understanding the basic trends of citation
- Six impact zones of research
- Years of IF Vs. Immediacy Index
- Citation data sources and agencies

Outcome of the session:

- Participants learned about the technicalities of citation metrics.
- Participants became aware of the predatory practices in citation.
- Participants learnt how to write for quality publications.

Dr. Santosh C.H., University Librarian & Director, Publication Division, Central University of Haryana.

General Information

Documents issued by the College

IDENTITY CARD

The Identity Card is an important document. Every student is required to take a good care of it and must always carry it with oneself. Students are required to show it on demand in the College, in the Library, at any collage event and while travelling on local trains. The loss of Identity Card should be immediately reported to the College Office in writing, with a statement of the circumstances in which it was lost. The office will issue a Duplicate Identity Card against payment of Rs.100/-.

At the University Examination all candidates are required to produce, at the examination centres, their identity cards bearing their photographs attested by the Principal along with their Hall Tickets.

RAILWAY CONCESSION

All students are eligible for concession on railways for local journeys between the stations nearest to the place of their residence in Mumbai and the College; and also for journeys between their place of permanent residence and Mumbai during vacation only. Students are requested to enter their local and permanent addresses correctly in the Admission Forms to facilitate issue of such Railway concession orders.

The place of permanent residence, in the application for admission means the place where the student and/or his parents normally reside. This address will not be allowed to be changed during the academic year.

• **Market Ka Eklavya Program**

May 7, 2022

India's largest depository, National Securities Depository Limited (NSDL) celebrated the completion of 25 glorious years of service to the Indian capital markets. On this momentous occasion Finance Minister, Smt. Nirmala Sitharaman launched 'Market ka Eklavya,' an online investor awareness program for students in Hindi and other regional languages. She praised the enterprise and its initiative to be available and accessible to all students across India as the programme will be available in many regional languages like Tamil, Kashmiri, Gujarati etc. She proposed that the program be converted into foreign languages to launch it globally.

HR College got the opportunity to participate in the pilot study of the 'Market Ka Eklavya' project where 50 students attended and were a part of the five-hour certificate program, spread over the course of two days. The program was exceptionally comprehensive and covered a wide array of topics about the financial markets that helped the students gain a sound understanding of the principles of finance. An internationally recognised certificate will be awarded on completion of the program.

After the two day, session three students from the college got the privilege of attending the 25th Silver Jubilee celebration of NSDL. HR College got the honour of being the college from Mumbai invited to be present at the event in person. Colleges from all over India joined in virtually for the occasion.

INTENSIVE AND REMEDIAL TEACHING

Intensive Coaching

At H.R. College we believe that diligence, seasoned with the right amount of smartness, can ensure brilliant results at the examinations. Therefore Intensive Coaching Sessions are organised keeping the following objectives in mind.

- To help students to not only study hard but also to study smart
- To help students adopt a more productive and effective approach to the learning process.
- To support students with additional learning material and library books
- To generate confidence among students and enable them to believe in themselves

Students in the intensive coaching batches are given the benefit of internal as well as external faculty to facilitate comprehensive grasp of the subject. The sessions have examination-oriented approach, topics are discussed and the main points are summarised at the end of the discussion. It is impressed upon the students that the technique of writing answers in the prescribed time limit is what sets apart the toppers from the rest. Hence full practice is given in solving test papers which are then evaluated by internal and external examiners.

Remedial Teaching

The HR College also conducts special classes for students with latent potential. Topics which students find difficult are taught again and even the slightest doubt is cleared with great patience.

Special Cell

“A Platform for addressing the special needs of the students” is how the Special Cell of HR College defines itself and its existence.

The objective of the Special Cell is to provide students a support in overcoming dyslexic, learning and other learning deficiencies. The Cell creates a platform for these young adults to prove their mettle and creates a marked difference to their lives.

Dr. Niranjana Hiranandani, Provost, HSNCU

FIRST DAY BROCHURE

This is given to the first year students. The dates of the Orientation and the commencement of lectures are given. It also provides college details, the calendar of events, faculty list and the email ids of teachers teaching various subjects. It gives course work information: syllabus, prescribed books, reference books, learning objectives, details of internal assessment, the topics for the tests and the projects, project guidelines, paper patterns for the semester end examinations, sample MCQs, sample question papers and lecture plans for every subject.

STUDENT COURSE PACKS

The course pack is a specially compiled booklet which is given to the students for self improvement, self learning and self evaluation. The course pack covers suggestions on handling the course, broad outlines of the class lectures, powerpoint presentations, notes on important topics, practical examples and mock questions.

TEACHING & LEARNING MATERIALS CENTRE

OPEN FORUM

The **Open Forum** is yet another step by the Council to ensure students' welfare and is organized mainly to oversee any complaints, feedback and grievances. Held twice-a-year, the Open Forum has a drop box into which students place their feedback. The suggestions are then passed on to the college management.

ENACTUS HRC

Enactus H.R. College is a student-run social entrepreneurship organization. It is one of the 1600+ chapters of Enactus worldwide. Enactus HRC is currently working on two of its flagship projects: Project Inaayat & Project Aajeevika.

Project Inaayat

Project Inaayat is India's first chapter under the Days for Girls international chapter that aims to improve the menstrual hygiene of rural women by providing them with our kits which comprise two shields (which act as sanitary napkins), eight absorbent liners, one menstrual chart, a pictorial guidance chart, and 2 soaps. Besides selling these kits, Menstrual Hygiene Management sessions are conducted and for the same, collaborations with various reputed organizations and schools. The association with Rotaract Club of Bombay Hanging Gardens has resulted in successfully conducting MHM Sessions for over 500 underprivileged women in remote villages along with the distribution of the kits. Since its inception, 3024 kits have been sold, with a total of 30,000 people being impacted under Project Inaayat.

Project Aajeevika

Aajeevika, in Hindi, refers to 'livelihood'. Through Project Aajeevika, employment is provided to the rural women of Maharashtra, thus increasing their family income and henceforth, enhancing their standard of living. Rural women are empowered to capitalize on their stitching skills. The women possessing stitching skills are identified from rural communities. The women employed are then vocationally trained in being seamstresses. This gives them a skill with which they can earn a livelihood and become independent. Unlike any other competitors, the bags are customizable with zips, chains, and other accessories along with an array of designs at the choice of our consumers. To date, 2,000 bags have been sold under Project Aajeevika

Project Jalvruddhi

Project Jalvruddhi is dedicated to revolutionize the manner in which water has been transported and utilized by the houses of rural India since the olden times.

As a solution to the problem of water transportation, the villagers were provided with the water wheel which is a 45 litre rolling drum manufactured by Wello. It is durable, easy to use and efficient to use. Wockhardt Foundation's 'Shuddhu purification pills' were also distributed to tackle the problem of water purification.

Recently the project was expanded to Shegaon, located at the frontier of Maharashtra. To be able to provide the water wheel at a feasible price, a cross subsidy model was devised by engaging another set of rural women in a revenue-generating process. The profits of which are then used to subsidise the packages.

Accessibility to water in rural areas has improved with the introduction of the water wheel

INTERNAL COMPLAINTS COMMITTEE

The college has constituted an Internal Complaints Committee under the University Grants Commission (Prevention, Prohibition and redressal of sexual harassment of women employees and students in higher educational institution) Regulations 2015. The purpose of the Act is to protect women employees and student in higher educational institution against sexual harassment for the prevention and redressal of complaints of sexual harassment and for matters connected therewith or identical thereof. Any complaint regarding sexual harassment is to be made in writing to the ICC within 3 months from the date of incident or within 3 months from the date of last incident in case of a series of incidents.

PLACEMENT CELL

Placement Cell of H.R. College is a Student Managed professional body, which is for the students, by the students, and of the students. HSNC University's H.R. College Introduces Multilingual Courses

February 10, 2022

Mumbai: H.R. College of Commerce and Economics, Mumbai's one of the renowned colleges under the HSNC Cluster University, has introduced multilingual courses for students. This initiative is taken with respect to the reforms of new National Education Policy that emphasizes the need of multilingual learning as it provides better career opportunities for students.

Commenting on this initiative, Dr. Niranjan Hiranandani, Provost – HSNC University, said, “Multilingual learning will enhance various cognitive, networking, inter-personal and social-linguistic skills that will foster the learner's global relationships. Alongside, ability to speak more languages and associated skills will also accentuate attention and retention. Besides, learning the nuances of different languages will help the modern learners hone their critical thinking, reasoning abilities and make them proficient communicators by grasping concepts and subjects more effectively.”

The international programs committee of H.R. College is conducting the multilingual learning courses virtually. This begun under the mentorship of faculty Dr. Chandni Bhattacharjee, Director, IPC with certification in Spanish language on completion of 30 hours. It is assisting students to learn the language benefitting them in terms of a gamut of job opportunities while leaving an indelible impression during communication.

Elated to share the development, Dr. Pooja Ramchandani, Principal of H. R. College, stated, “HR College has taken initiative to train students in various
