Dear Team,
Greetings!

We are pleased to inform you that we have **selected** the following student for the internship at our organization,

1. Pranjul Kapoor

We wanted to hire her for the Sales profile as discussed earlier, but in today's Final interview with our CEO, we were confused on whether she is apt for the sales role or not.

We didn't want to lose a bright candidate like her, hence we've decided to hire her as a **Social Media Intern**. We gave her the option to choose and if she is comfortable having the change of profile. She has agreed to go ahead with it.

The offer letter and the certificate of completion would have the profile as Social Media Intern. There are no changes except the profile.

We will send a congratulatory mail to the students on their personal email ID by today EOD.

We will send the Offer Letter and the Onboarding Details to the students on their personal email ID and keep you in the CC, so as to avoid any confusion or miscommunication.

Thanks and Regards,
