A Specific facilities provided for women Safety and security –

The safety and security of women has been a primary concern for centuries now. The Women Development cell aims to promote awareness on gender equality and gender sensitization in the society and amongst students in particular. In keeping with the goal of women empowerment, the cell conducts self-defense programmes for girl students and operates a grievance cell for urgent and effective handling of any gender related issues. College has embraced all the responsibilities for making the environment safe and secure one for women. Some of the activities are • CCTV cameras are installed at strategic points in the college for better security of the students. • Other grievance redressal mechanisms for the safety of the students are student grievances cell, Women empowerment committee, Women development cell, implementation of the RTI, and student council are working effectively. • Self Defense workshops are organized in the college. Internal Complaints Committee is institutionalized and has established processes to look after the safety and security of women. There is sakhi box in ladies common room so girls can put their complaints.

B. Counselling

It is a safe environment with teachers and guardians on constant watch. Women development cell aims to generate awareness and gender equality. The cell strives to break stereotypes, fight against patriarchy and bridge the gap between gender inequalities. We prioritize all our student's safety with the utmost diligence. There are hard-working watchmen posted on every main gate, ensuring no disturbance. Women in our college will find amiable counsellors they could confide in without any hesitation. Counseling programmes such as Training Programme, Seminars etc are regularly organized to educate the girls to look after their own safety and security. Counselling sessions are arranged to cope with student problems.

C. Ladies common rooms To facilitate our students, the campus has established a spacious and comfortable common room. The space has been designed to give students a place to relax, study, have informal discussions in free time available. Students highly appreciate this facility.
