## From the Principal's Desk

This has been an extraordinary year. We have been more or less able to come out of the pandemic, which is now endemic, and join forces to usher in a new phase with renewed vigour and enthusiasm. We are all acutely aware of how the COVID 19 pandemic has affected education. Things that were considered normal and routine have undergone a radical transformation. No longer can we be complacent about anything. If the pandemic has taught us one thing, it is that change is inevitable and change has to be encountered and handled with great courage and determination.

We at H.R. College have taken up this challenge and been able to confront it with the able support and collective strength of all our faculty, students, office staff, and associates. Our goal of providing students with uninterrupted quality education remains at the forefront of all our endeavours. This year saw us transitioning once again from complete online classes to a hybrid form of teaching-learning. The teaching faculty were adequately trained for this transition and the students were prepared accordingly. We moved from total online examinations to offline examinations. Understanding the needs of the students who had not written any offline exams for two years, we took appropriate measures to ease the transition for them. Our teaching and non-teaching staff have made themselves available whenever needed, going beyond the call of duty to provide aid, counseling, and support to all our students particularly those who are most vulnerable to stress, and anxiety due to the devastating impact the pandemic may have had on their personal lives. For all of us at this institution, the focus was on trying to understand our student's needs, provide continuous support and ensure that they can access classroom lectures, take exams, submit assignments and not feel left out.

This academic year we have once again excelled in academics, co-curricular and extra-curricular activities. Our junior college student Rishabh Shah has topped the HSC Board exams holding the first rank in college as well as in Mumbai. In the degree college, our TY students in all streams have performed exceedingly well. In my tenure as a Principal, I have tried to develop the potential of our teachers, foster a strong research culture, undertake capacity-building initiatives, streamline administrative processes and instill in our students the value of community service and social welfare. We are committed to excellence in education and our objective is to ensure access and opportunity for growth and development. We are keenly aware that in this rapidly changing world, the workspace also needs people who will be ready to adapt, adopt and be able to work with passion and dedication. To make our students employment-ready,

Prof. Dr. Pooja Ramchandani

we are constantly engaged in upgrading our curriculum to make it relevant to the needs of our time; we also encourage our students to participate in extracurricular activities so that they can develop an all-rounded personality.

Our teachers like always have shown great tenacity and commitment in research and teaching, and all our FY and SY students have performed very well in their exams. Both the teaching and student community have undertaken numerous projects that address contemporary social issues and seek ways to resolve those that require our immediate intervention. The students have engaged wholeheartedly and participated in outreach programs that not only enhanced their knowledge of the given field but also provided them with a deeper insight into the ways of the world. Industry placements have seen some of our brightest and best receive internships and job offers from reputed companies. Many experts from the world of finance, technology, business management and administration, start-ups, and social networks, graced us with their inspiring presence and spoke to our students and teachers motivating them and encouraging them to persevere. Our social engagements with NGOs were at an all-time high. Numerous projects and programs are undertaken by our students with the guidance of the Prof. in-charges to affect lives and contribute to our immediate community. Programs on gender sensitivity and environmental awareness that we organize around the year have a very positive impact on young minds.

The health crisis that the world has faced has created some extraordinary trials for us. However, we are confident that with the support of our management, faculty, staff, student, parents, and associates, we shall be able to stride forward with greater confidence and bigger dreams. Our motto is to persevere until the end, our faith in ourselves is firm, our inspiration is from community, nature, our dedication is to truth and equality, and our goal is to nurture young minds who will make this world a better place. We look forward to another challenging year ahead!

## XXVIII INTERNATIONAL ECONOMICS CONVENTION

February 18, 2021

The Economics Convention is an annual event held jointly by the Hyderabad (Sind) National Collegiate Board and Jai Hind College with the primary objective of inculcating academic and research skills at the undergraduate level. Each year the event is hosted by one of the colleges of the Boards. Started in 1993, by the HSNC Board under the chairmanship of Dr. Ram Tarneja, the Economics Convention was the perfect platform to bring together young students from across the city, nation and globe to focus and debate on issues facing the Indian/world economy.

The themes of the convention over the years have covered various issues concerning the economy ranging from globalization of the Indian economy, current economic policies, the Indian Economy at crossroads, Infrastructural developments in India, Structural Reforms, the Economy and its Environment, Ecology and Technology, Global Trade and Finance, Knowledge Revolution and Social Development, Development of Indian States, Issues of Environment related to Greater Mumbai, Mumbai - the Melting Pot (Urban-Rural Migration) and India & Selected Asian countries.

Of all the academic initiatives of the HSNC Board, the Economics Convention is one of the most meaningful, the most relevant and the most eagerly awaited inter-collegiate events of the year.

H.R. College of Commerce & Economics participated in the 28th International Economics Convention organised by CHM College. The topic given was “**Economics of Migration**” and the country given was Canada.

Due to the extraordinary circumstances on account of Covid-19 and the consequential restrictions internationally, this year, the Economics Convention (ECOCON) was held online on Zoom.

H.R. College was represented by Alina Shaikh, Tamana Baghla, Varun Sriram, Kushal Gowani and Taranjit Singh. The team was mentored by Prof. Anuradha Iyer. Out of the 10 National and International Teams that took part, H.R. College secured the **1st position overall** and were proclaimed the winners of ECOCON 2021.

## CORTOKINO 2021

March 26 & 27, 2021

CortoKino, an all **BMM** fest organized by Thakur College, as quirky and exciting as the name sounds, was all the more fun to work for and participate in. The activities organized, beginning from the CL Meet to the PR Activities and all other events which followed, together created immense excitement in us to work together as a team. We grew more confident in our work ethic and made new friends along our path. CortoKino organized several events and we participated in almost all and won prizes for the same.

In two of the events, we were placed **2nd** and in two, we were at the **3rd** position. Altogether every event we participated in, we managed to make the best of it and enjoyed ourselves. After getting recognized by the legend, Daler Mehndi himself, and our stories being reposted by him; winning '**The Best Online PR**' award in the fest was a cherry on the cake.

It was a different experience for us, being the First-Year students, who have not participated in fests, leading a team ready to win, and we succeeded.

## THE ENTREPRENEURSHIP AND INCUBATION CELL

The Entrepreneurship and Incubation Cell of H.R. College was established as a student body, certified by the Ministry of Education and Mahatma Gandhi Council of Rural Education, which aims to inculcate the spirit of entrepreneurship in the minds of young students and create a zeal amongst the students who wish to pursue entrepreneurship as a career.

The Entrepreneurship and Incubation Cell of H.R. College conducted its Inaugural Incubation Fest called RISE (Reinforcing Startup and Entrepreneurship) to foster the spirit of entrepreneurship and impart technical knowledge to the upcoming entrepreneurs of our country. The committee invited business ideas from participants and contingents all over Mumbai. From these entries, the top 8 teams were given an opportunity to present their business ideas to a panel of judges. For three days, renowned industry experts such as Mr. Mithun John, CEO at the Strategy & Operations for the Maharashtra State Innovation Society; Mr. Rishabh Shah, Founder and President of IIMUN, Founder and CEO of Aufklaren Group of Companies; and Ms. Namita Shah, Founder of Presolv360; conducted three workshops, which were attended by the qualifying participants, as well as other students from H.R. College. These workshops provided the participants with insights into essential topics such as the role of government in entrepreneurship, obtaining funding for start-ups, the role of communication and pitching for start-ups among others.

# OUR ACHIEVERS'

## Leadership at HR

Led by I/C Principal Dr. Pooja Ramchandani, H.R. College has evolved a new educational philosophy: To put the responsibility of learning on the learner. Hence, the instructional paradigm has, perhaps for the first time, shifted from a teacher-centric model to a learner-centric one.

Critical analytical faculties are evolved as students explore their own problem-solving skills in an environment that, while being supportive, isn't smothering or stifling. H.R. has seen much success with its student-centric methodology, proving it is superior to the traditional teacher-centric approach.

Simply put, this is because the student-centric model leads to student empowerment. The role of the teacher shifts from being the 'Sage on the Stage' to being a 'Guide by the Side'. The students, on their part, assume active responsibility for their own learning. Interactive methods such as project work, class assignments, working in small groups or in pairs, role play, brainstorming and using case studies are all extensively used to get students involved in the process of their education.

The key highlights of the student-centric model at H.R., which has helped students acquire life skills, knowledge management and long-term learning are: Corporate Seminars (which cover a wide range of dynamic courses reflecting emerging trends); Certificate Courses; organising the 'Lecture Series', where professionals from leading organisations address educate students on the dynamics of the real world; creating partnerships with industry, NGOs and other stakeholders (to bring communities to the classrooms) and so on.

It is part of an ongoing quest to institute state-of-the-art infrastructure and modern teaching-learning methodology to make knowledge acquisition effective at H.R. Students are encouraged to undertake internships in order to acquire a hands-on learning experience.

# INTERNAL QUALITY ASSURANCE CELL

For the IQAC of HR College of Commerce and Economics continuous improvement in quality processes has always been one of its key agenda and efforts are directed to collaboration, innovations and best practices that are also socially inclusive. The broad theme of IQAC this year included continuous mentoring and collaborations to ensure excellence in overall performance. With the aim of improving the academic and administrative performance of the institution, the following mentoring sessions were organised by the IQAC for the academic year 2020-2021:

- The IQAC team invited **Dr. Shehernaz Nalwala**, A former Vice Principal Wilson College and coordinator for IQAC, to conduct a session on the theme of 'Preparation for NAAC.' The lecture cum interactive session took place virtually on August 13, 2020. She gave her views and suggestions on what can help an institution to grow and maintain stability, which included among other things various audits, certificate courses, mentoring, feedback etc.

## One Day Webinar jointly organised by RUSA, Maharashtra & HSNC University

### INSTITUTIONAL QUALITY MANAGEMENT (NAAC Preparation Strategy)

Hosted by IQAC

H.R. College of Commerce &amp; Economics | Smt. M.M.K. College of Commerce &amp; Economics

9.30 am onwards | Friday, November 27, 2020 | On Zoom

This one-day webinar, the first major programme organized by the HSNC University, after its inception, witnessed participation of more than 400 delegates from various colleges in India and abroad. Hosted by the Internal Quality Assurance Cells (IQAC) of HR College of Commerce & Economics and Smt. MMK College of Commerce and Economics, was held under the guidance of Dr. Vijay Joshi, Chief consultant at RUSA and Dr. Pramod N. Pabrekar, Senior consultant at RUSA.

Dr. Pooja Ramchandani, I/C Principal, HR College, in her welcome speech, spelt out the objective of the webinar as setting of institutional standards for obtaining higher grades at NAAC while Mr. Kishu Mansukhani, President of HSNC Board, articulated the objective of setting up HSNC University in alignment of the curriculum with the needs of the industry. He pointed out the new Yoga and vocation based courses started by various institutions under HSNC Board in keeping with this aim.

Mr. Vijay Joshi, the Chief consultant at RUSA, emphasized the responsibility that came with the status of being the first Cluster University in the country and the significance of being a trend setter in the field of education. He also spoke about the need for establishing

certain checks and balances for ensuring quality in education, for rewarding excellence and for imbibing quality culture in education.

In his inspiring address, Dr. CA Niranjn Hiranandani, Provost, HSNC University, called attention to the need for bringing about a paradigm change in education as well as the importance of devising syllabus aligned with the requirements of industry. He stressed on the necessity of up skilling through a process of unlearning, relearning and up learning in educational institutions in order to ensure that, students develop employability skills. India, he said, could become the next education centre of the world, with teachers playing a leading role in it.

The first technical session, piloted by Dr. Vani Laturkar, Senior Professor and Head-Management, School of Commerce and Management Sciences, Swami Ramanand Teerth Marathwada University, Nanded; focussed on the new NAAC parameters and the methods of inculcating quality systems in institutions. Dr. Laturkar explained the vision for NAAC process in terms of quality enhancement, self-evaluation, sustenance, initiation and promotion of a culture of quality enhancement. Institutional accreditation under NAAC, she

explicated, was basic for its survival and growth and further for acquiring various grants, starting new courses and programmes and obtaining autonomous status. Participants were apprised about the changes the process of NAAC has undergone with the emphasis having shifted from subjective to objective, offline to online, qualitative to quantitative, college centric to student centric as well as ICT based functioning and system generated scores. She also highlighted the new concepts of third party validation of data and importance of Student Satisfaction Survey (SSR). The process of accreditation with key indicators, strictures relating to data deviations, criteria wise weightages were also elaborated.

The second technical session conducted by Dr. Bhole, retired Associate Professor and Head, Department of Microbiology, Abasaheb Garware College, Pune, centred on the role of IQAC in the assessment and accreditation process. Hailing the IQAC as the think tank of an educational institution, he stressed upon its role in developing quality systems, quality enhancement and quality sustenance. He brought out the importance of preparing a perspective plan for the next 5 to 10 years as part of the goal setting initiative of an institution, to be conveyed to all stakeholders and development of systems for self-assessment involving feedback and SSR. He also pointed out the need for identifying key performance indicators in the process of setting benchmarks. Decisions as to what to benchmark, who to benchmark, data

collection and analysis, gap analysis and gap filling were also identified as essential responsibilities of IQAC.

The third and the last technical session, on Documentation for NAAC, was conducted by Prof. C.N. Rawal, Principal Brihan Maharashtra College of Commerce. In his talk, centred on the novelties introduced in documentation, he identified authenticity, objectivity, transparency and credibility of data as the key principles of documentation. The mode of document submission, data exposition as well as data creation, were enumerated by him in great detail. Lastly, he explained exhaustively the documents that would need to be uploaded criteria-wise.

The Q/A session was moderated by Mr. Mani Iyer, Vice Principal, Smt. MMK College, following Ms Geeta Sahu's request questions which were posted in the chat box, were answered at the end of the session. To questions related are the various funding available for research from various agencies, Dr. Vani Laturkar explained the three types of funding agencies in existence; these being UGC and ICSSR. She further explained that apart from these two funding agencies, few industrial houses also provide funding. The difference between government funding and industrial funding was further elaborated by her. CSR funding provided by companies could also help enhance the image of educational institution. Principal Joshi pointed out that national research funding agency would be established in future and that its budget would 20,000 Crores per year. This funding would be provided for science, social science, commerce and humanities.

On the questions related to Green Initiatives Dr. Laturkar added that these related to the institutions i.e. whether they are attempting to keep their environment clean via measures such as no vehicle day, paper shredders for waste paper generated, recycling and so on. She explained that Green audit is concerned with all the practices that help towards an eco-friendly and pollution free environment. Dr. Bhole as well as Dr. Joshi also added few noteworthy points. Dr. Rawal pointed out ideas like reusing water, reduction of electricity, plastic free campus and car-pooling which will help to sustain the campus as well as the community.

Ms. Chippy Susan Bobby, IQAC Coordinator, MMK College and rapporteur of the entire session, summarized the highlights of the webinar. Beginning with a quote of William Shakespeare, she pointed out how the HSNC Board has been organising various webinars and lectures during this pandemic. She praised Dr. Joshi for his insights in the field of education as also Dr. Vani Laturkar for highlighting the need to look at new NAAC parameters and their functioning. She congratulated Dr. Bhole for explaining the fundamental roles of IQAC, which he identified as quality control and quality assurance. Terming the IQAC as a think-tank he challenged the participants to think out of the box. Dr. Rawal was thanked for giving a wonderful explanation on the documentation process for NAAC, which he explained, has changed. There is, he declared, greater emphasis on the data provided. A dynamic college website is yet another need of the times.

Prof. Dinesh Panjwani, Vice Chancellor of the HSNC

University, thanked RUSA for inviting him. He applauded the initiative taken by HR College and Smt. MMK College in conducting the webinar, the massive participation in the current one as well as the willingness of the HSNC University to associate with programmes involving improvement of quality standards in educational institutions. He pointed out the need for documentation, given that 70% assessment carried out today is online. NAAC, he reiterated is a prerequisite, since it gives an opportunity to institutions to learn from one another. He further explicated the need for autonomy in the field of education. Admiring the NAAC as a learning platform he declared that the identity of any college and its teachers is associated with it. Hence he put emphasis on a preparation strategy for NAAC along with personal discipline.

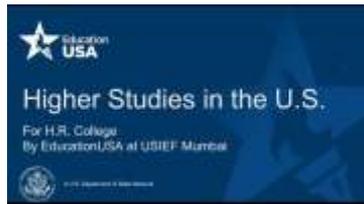

The webinar concluded with a vote of thanks proposed by Dr. CA. Kishore S. Peshori, I/C Principal, Smt. MMK College of Commerce and Economics.

At the end feedback was collected which was analysed. Participants included 75% of the teaching staff and rest 25% were Principals and non-teaching staff. Approximately 80% of the participants highly rated all the resource persons as "Excellent". Considering the usefulness of the webinar, 82% of participants rated the webinar at "5" on the scale of 5 and all the participants felt it most informative and relevant. Indeed it was both fruitful and engaging, with the resource persons providing vital information regarding quality improvement measures for our educational institutions and their maintenance according to the new parameters set by NAAC.

# Project Inaayat

Seeing the opportunity to improve the *current sanitary conditions of women and eliminate all the systemic myths of the natural process of menstruation*, we launched *Project Inaayat in April 2018*. We have now launched our brand new website [www.projectinaayat.com](http://www.projectinaayat.com)

Project Inaayat is a collaboration with an international organization 'Days For Girls' – <https://www.daysforgirls.org/>

With 'Inaayat' meaning 'a blessing' in Urdu, this project comes as a blessing to the rural women who stitch sanitary napkin kits as well as the women who use them.

It is dedicated to strengthening girls' sense of dignity and self-esteem by making and providing sustainable menstrual hygiene solutions and health education.

Our vision is to ensure that every girl and woman will have ready, feasible access to reusable hygiene supplies.

OUR PROJECT INAAAYAT HAS TWO ASPECTS:

- Manufacturing reusable biodegradable sanitary napkins
- Conducting sustainable menstrual hygiene awareness sessions and breaking the taboo surrounding it.

**PROJECT INAAAYAT HAS  
SUCCESSFULLY IMPACTED  
50,000 +  
LIVES AND STRIVES TO IMPACT  
MANY MORE LIVES IN THE FUTURE**

### Urban Model

After months of meticulous planning, the Urban Model developed under Project Inaayat has finally been set into motion, with the Campus Ambassador program leading the implementation. In addition to this, the coming months would see various other plans under the urban model being executed.

These include setting up of menstrual hygiene awareness camps in housing society and corporates, rolling out internships, setting up stalls in colleges and evolving Inaayat into a one-stop solution of menstrual hygiene by also creating an open market of sustainable menstrual products.

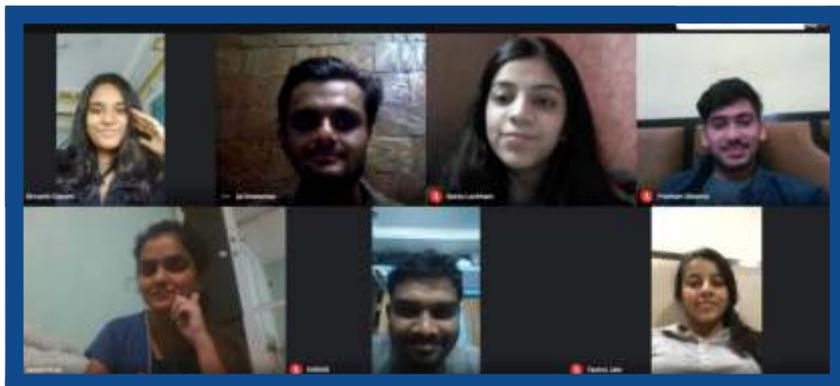

The Urban Model signifies Inaayat's entry into the B2C market for moneyed urban audience. It has been developed with the intent of swiftly enabling their switch from plastic pads to sustainable ones.

### Community Model

In order to eliminate the limitations caused due to geographic boundaries, Project Inaayat has introduced a Community Ambassador program. Under this, communities with poor menstrual hygiene conditions shall have an ambassador appointed in them. This ambassador shall be responsible for spreading sustainable menstrual hygiene awareness in the community by conducting sessions and improving the hygiene through the sale of cloth pads.

## Campus Ambassador Program

A Campus Ambassador program has been started under project Inaayat that aims to recruit young talent that has a Head for Business and a Heart for the world. These ambassadors shall be the pioneers on sustainable menstruation hygiene management in their respective colleges, with the responsibility of spreading awareness regard the same.

After months of meticulous planning, the Urban Model developed under Project

An Oscar winning film based on menstruation- “Period. End of sentence” was streamed on Google meet to explain menstruation in India under 40 mins.

## PERIODICALS

Periodicals, an IGTV series curated to educate people regarding Menstrual Hygiene Management (MHM) and Periods in general. Using interesting facts and real world statistics as our tools, we would be explaining about periods and all the major issues under MHM through this series. An initiative towards breaking the Period Stigma.

## #TacklingTheTaboo CAMPAIGN

In the #TacklingTheTaboo we gave the youth a chance to take a pledge to normalise menstruation and bust all the taboos around this natural process and to bring out change in menstrual stigma by asking our participants to make a short video clip of themselves stating how, as an individual, they'll take initiative and pledge to eradicate any existing menstrual stigma/taboo.

## DONATIONS & DISTRIBUTION DRIVES

Project Inaayat was initiated with a hope that every woman has the privilege of menstruating under hygienic conditions. Taking a step towards this aim, on 4th October 2020 our team planned and executed a distribution drive of sanitary pads in a small village called Gaimukh Village. This village, although just a few miles across the city of

Thane, is home to various traditional tribal communities who have very little access to any kind of menstrual hygiene products. Aided by the generous donations by

our sponsors: Rotaract Ghatkopar, Sophia Desouza and various leo and lions clubs, a total of 300 kits were successfully funded for this distribution. We are extremely thankful to them for collaboratively recognising the need for making sustainable menstrual products accessible to these tribal women.

The entire distribution process was handled efficiently and smoothly by the volunteers by our collaborative partners: Aarna foundation who were critical in making this distribution drive a success.

The month of November brings in a festive mood and In an attempt to lighten up lives for diwali this year, our team planned another distribution drive of inaat kits on 6th November. Covid has ushered in challenging times for orphans and we recognised two orphanages in Mumbai : Bal bhavan and Amcha ghar who were in need for menstrual products. A total of 80 kits were distributed between these two Orphanages for young girls aged 13- 18 years. To usher in the new year on a bright note, In January with the generous donation by our technical partners DFG, our team donated 100 sanitary kits to rescue foundation. Rescue foundation is an organisation that helps abandoned sex workers and helps them rehabilitate into safer spaces.

## Project Aajeevika

*Aajeevika, in Hindi, refers to 'livelihood' and implementing on the same*

We started this project to provide employment to the rural women of Maharashtra, thus increasing their family incomes and henceforth, enhancing their standard of living.

Canvas tote bags and Transparent masks were one of the first items to be manufactured under Project Aajeevika. We have executed this concept via two fold application of social entrepreneurship. We make these tote bags out of canvas clothes which makes it environment friendly and reusable. Its biodegradable and is very handy. These bags are stitched by the rural women of Maharashtra who have been trained by us. In this way, we provide employment and skills and promote woman empowerment. We provide customizing services too. These tote bags are lashed by trendy and quirky designs. We promote the use of cloth bags and condemn plastic use of any kind. Join us and change not only the perspective of environment friendly concepts but also women empowerment.

While the masks, which has become the “new normal”, helped people with speech and hearing disabilities, who lip-read and use sign language, to communicate better with each other and the outside world on a daily basis. Sign language is not simply handed gestures but a combination of hand movements, facial expressions and body language. Hence, communicating without risking life posed to be a serious issue for them that called for an immediate action. To tackle the same, we came up with our own range of cloth masks, with a transparent plastic panel near the mouth area that makes the expressions of the person visible and readable. This helps the Deaf and Mute community to communicate better.

## ZERO WASTE MODEL

Zero Waste is a set of principles focused on waste prevention that encourages the redesign of resource life cycles so that all products are reused. There is a growing global population that is faced with limited resources from the environment. To relieve the pressures placed on the finite resources available it has become more important to prevent waste.

The business model of our Project Aajeevika is focused on Zero Waste principles and hence the products produced are crafted wholly from fabric cut offs, which strongly supports sustainability by protecting the environment, reducing costs and producing additional jobs in the management and handling of wastes back into the industrial cycle.

Our Zero Waste designs strive for reduced materials use, use of recycled materials, use of more benign materials, longer product lives, reparability and ease of disassembly at end of life.

## OUR ZERO WASTE PRODUCTS

## #CHANGEISCOMING

With an aim to promote zero waste lifestyle and sustainable options, Enactus HRC under its Project Aajeevika introduced the Change Is Coming campaign. We asked our audience to tell us that one sustainable thing they had switched to, that changed their lives for the better. Having garnered a number of great responses, we had some of our participants tell us how they not only switched to sustainable options but also made the product they are using from scratch.

## TRANSPARENT MASKS

On 3rd December 2020, which happens to be the World Disability Day, Rotary Club of Mumbai Kandivali West took up the initiative of spreading smiles by distributing transparent masks in Koshish school. 100 masks under Project Aajeevika were distributed in this special school for differently abled students.

## Enactus HR x TAUP x HFH

“IN LIFE, THERE IS NO SUCH THING AS IMPOSSIBLE; ITS ALWAYS POSSIBLE!”

Enactus HR College is proud to share that under the flagship Project Inaayat, an order of Rs.4.15 Lakh has been received from Bindu, an organisation engaged in the field of de-stigmatizing menstruation and eradicating period poverty in India.

Under this collaboration, 2600 menstrual hygiene kits will be produced by Enactus HRC's rural production centre and distributed in North and Central India.

This collaboration will positively impact the lives of various menstruators who lack access to hygienic menstrual products, as well as help the rural beneficiaries earn livelihood.

Each life impacted through the projects is a step towards representing HR College at Enactus National Competition 2021. Apart from the immense hard work and determination of all Enactus HRC members, the constant support received from I/C Principal Dr. Pooja Ramchandani has been instrumental in this huge achievement!

## TESTIMONIALS

“Enactus HRC was the first youth run social enterprise that The Period Society collaborated with since it's inception in 2019, and we have partnered with them since. I am incredibly impressed by and grateful for their support with programming, marketing, and outreach whenever we purchase pads from them or collaborate on a fundraiser. They always manage to come up with places we can donate to where there is a necessity of eco friendly period products and during our collaboration have endured that we reach out to a variety of marginalized populations. The content of the sessions we deliver together has been extremely interactive and comprehensive and their volunteers are always pleasant to work with on projects. The Period Society will continue partnering with them in the long term and we recommend their social enterprise which reduces the cycle of dependency within rural areas with a focus on environment sustainability without any reservations.”

FAMILY ESSENTIALS KIT

### About the Fundraiser:

Habitat for Humanity India is supporting families and individuals living in vulnerable conditions with no safety net by providing them with essential goods and hygiene items. Habitat's Hygiene Kits and Family Essentials Kits provide families with essential goods which meet their basic needs. Currently, Habitat India has served 11,14,490 individuals with a total of 4,07,410 Kits distributed to the people who are battling the phase of lockdown across the country.

Enactus HRC in collaboration with The Alpha Urbane and Habitat for Humanity has stepped in to sensitise and raise awareness on the importance of hygiene and sanitation through our WASH (Water, Sanitation and Hygiene) program. As the country implements unprecedented measures amidst the global health emergency, we are supporting families and individuals by providing them with family essential kits and hygiene kits.

The Rotaract Club of H. R. College was chartered on 30th June, 1986. The year 2019-20 is the 34th year for the club with a total membership of over 250 students. It is the oldest club in the college with a total of 360 projects per year consisting of cultural projects, community-based projects among others.

Some of the major projects are:

**Aashayein** - Adopt A Village: aims at the holistic development of rural villages of Maharashtra. It includes providing water, water conservation facility, education, entrepreneurship, human development, light etc. Various PR and fund-raising activities have been undertaken for the same.

**BOOND** (water) involves providing safe and clean drinking water by means of building tube and surface wells.

**GAZAAB MAHARASHTRA** (education) involves going to the village for a one-week duration and teaching the villagers economics, commerce and entrepreneurial studies followed by a business pitch on ideas and funding is provided to the best ideas.

## Giving is the new cool for Mumbai's Rotaractors

When the taskforce of the Rotaract Club of HR College, RID 3141, wrapped their young minds over a set of grim statistics which pointed out that 16.3 crore people in India lack access to safe drinking water, 28.7 crore people lack basic education and 20 crore people have no access to reliable power, they decided to do something about it.

“Everyone wants to see change, but no one wants to be the change. So we said let prepare ourselves to be that change,” says Jinay Parikh, director of the club's taskforce. Hence was born Aashayein-Adopt A Village, a community initiative with the objective to do holistic development of rural villages in Maharashtra. Their most powerful mantra was collaboration.

Carried out in five villages in Ahmednagar district, the Rotaractors focused on water and sanitation, electricity and education. In collaboration with the Watershed Organisation Trust, the Project Boon was started, “under which we have built 14 wells, four check dams and a number of hand pumps,” says Purvi Todi, co-director of the taskforce team.

Next, partnering with the Liter of Light, an organisation that has put together an open source design for a low-cost tube light that refracts solar light to provide daytime interior lighting, “we have installed more than 150 solar powered lights, including community street lights, study lamps and house lights, in these villages,” says Parikh.

For the education and entrepreneurship component of their social outreach initiative, the Rotaractors started Gazab Maharashtra, to educate youth about the importance of entrepreneurship and business studies. “Till date we have funded 60 entrepreneurs with seed capital to set up self-owned and sustainable businesses,” he says.

In addition, 30 re-usable sanitary kits, which can be used up to 4-5 years, were distributed in these villages, and four community toilets were also built. “We have also conducted workshops with the villagers to teach them the importance of sanitation and hygiene,” Purvi adds.

Parikh says the Rotaractors realised that due to drought conditions in these villages, “there was no work in farms and the farmers couldn't get enough produce for sustenance. We are grateful to RAC HR College, who came to our rescue and built check dams, tanks and wells in these villages.”

The Rotaractors have made this an interactive programme and this project has pages on social media platforms such as Instagram, Facebook and Linked In. For more info: [aashayeinadoptavillage.com](http://aashayeinadoptavillage.com)

**GAZAB MAHARASHTRA** - A 7 day program where members go to a rural college to teach entrepreneurial and business skills, in turn fund a new business idea of a student.

**SANITATION** - Teaching village women the basics of menstrual hygiene

**Lunchbox** is a Community Service initiative where food is provided to the poor. The members of the club come together with various food items in different areas of the city. They then pack lunch boxes and distribute it to the poor in the surrounding areas.

able to get a peak of the outside world. After spending time with children of different schools, they are trained for the final day where they battle it out against each other to win various titles. Thus, this project cultivates them into a confident person with a strong personality. The 23rd Vogue happened at Sophia Bhabha Auditorium on February 4, 2020.

**Action Replay** is another professional development project, in its 11th year on September 21, 2019. It is Mumbai's biggest open sports and entertainment fest. This project has two aspects to it: quiz and entertainment. For the quiz, there are two categories, the school category and the general category. Members of the best quiz clubs from all over Mumbai participate in the same with a competitive spirit. On the other hand, the entertainment sector includes box cricket, football, Fifa and various other games wherein the members and the participants compete.

**Udaan** is a Community Service initiative taken by the Rotaract Club of H.R. College. Through this project basic personal hygiene and sanitation is taught to the under privileged. Members distribute kits including basic hygiene necessities. They provide sanitary napkins to the girls at a low cost. Employment opportunities are also provided to the ladies of the slums. This year Udaan took place at Cuffe Parade and Colaba Slums.

**Fifa Streets** is a project which provides an equitable platform for the boys of the slums in the field of sports. It is a football tournament that gives them a chance to showcase their talent to the entire world.

**The Unheard Voice** is an ongoing project that inspires and motivates people through the platform of social media. It is a 3-week long project. Different and diverse people are interviewed and their stories are posted on Instagram that makes their voice heard to hundreds of people.

**Tak Dhinak Dhin** is an intra-institute dance competition wherein members go to 10 different municipal schools in the city. The kids have fun dance sessions. After around one week of fun dance practice with the kids, they compete against each other on the final day.

**Quicksilver** is also one such project where in the members go to various institutes in Mumbai. Over a span of 5 days, they train the kids in the educational as well as extra- curricular sector. All of them then battle it out on the final day through quiz, fashion show and various other activities. The finale was held on September 7, 2019 at the K.C. Auditorium.

**We are the World**, a 19 year old legacy, is a two-day annual Interschool internationally themed cultural extravaganza where the top 30 schools of Mumbai come together and battle it out amongst various events to win the title. There is a total of 25 events consisting of Fine Arts, Literary Arts, Performing Arts and Informals. A crowd total of 5000 people every year witness this extravaganza. This being the 19th year the event was taken a notch higher with an outdoor venue and ongoing activities like never before. The 19th We Are The World took place at H.R. College and Karnataka Sports Ground on November 30 and December 1, 2019.

**Nayaab** is a fundraising exhibition for a social cause. It is a two-day annual exhibition held at Mahalaxmi

## ONE OF A KIND

August 6, 7 & 8, 2020

A series of webinars called **One of a Kind** were conducted by Student United Way with an aim to normalize the so-called taboos in our society and let people know how mental health, LGBTQIA+ community and COVID-19 survivors are anything but taboo. The event was promoted via WhatsApp and Instagram and the forms were circulated online so that people can fill them up to attend these sessions. GUEST SPEAKERS were Dr. Rituparna Ghosh, Alex Mathew, Dr. Shailesh Wagle and Mehar Bhagat

### Mental Health Wellness

August 6, 2020

Guest speaker **Dr. Rituparna Ghosh**, a consultant psychologist and psychotherapist focused on student mental health. COVID-19 related stress in people's lives and how to cope up with the same was discussed. Online classes, lockdowns, maintaining grades, etc. have increased stress levels among students during the pandemic. She told that students shouldn't hesitate to visit a psychologist as both mental and physical health are equally important. Students of Student United Way asked a number of questions regarding mental health which were answered with ease.

### LGBTQIA+ community

August 7, 2020

The guest speaker of the webinar on LGBTQIA+ community was **Alex Mathew A.K.A Maya**, The Drag Queen who is a TEDx speaker and a LGBTQIA+ influencer. A session discussing that we are all unique and valid, made it an interactive one. "Walk into a room like a Queen"- those were Alex's exact words when asked how to be self-confident. He advised students to ignore the people who judge and welcome those who appreciate them for who they are. He shared his story of coming out of the closet. Of course it wasn't easy for him to get accepted in the society for being a Drag Queen. Alex answered every question in the chat box. His inspiring story made this session an very interesting one.

## COVID-19 Warriors

August 8, 2020

The guest speakers of the webinar on Covid-19 Warriors were **Dr. Shailesh Wagle**, a Community Investment Manager at United Way Mumbai and **Mehar Bhagat**, a COVID-19 survivor who is a wellness coach and dietician.

Dr. Shailesh explained what COVID-19 is and what are its symptoms. Different levels of the seriousness of COVID-19 was discussed. He explained how to wash hands, sanitize properly, to use and dispose masks and gloves etc.

**Mehar Bhagat** shared her experience of COVID-19 and told us how it's difficult to return back to society because people judge and avoid her just because she had been a victim of COVID. She focused on how to identify COVID and what to do if you are tested positive. She urged all to face it with strong will power, take COVID-19 as a challenge and overcome it fearlessly.

## COVID LETTERS OF LOVE

August 9-16, 2020

The members of Student United Way started a campaign called COVID Letters of Love to show gratitude to the COVID frontline workers by writing handwritten letters and displaying each of them via social media. This initiative was dedicated to all COVID warriors who braved emergency rooms when no one dared to step out, to all those who have sacrificed their lives in the line of duty. Messages and posters were created to promote this event via our Instagram page and WhatsApp. We created a hashtag for our event, i.e. #dilsethankyou.

SUW received 162 letters from across the globe by August 12, 2020. These were published on SUW Instagram page so that the letters reached these unsung heroes, showing gratitude for their efforts. On August 16, 2020 a video was posted on H.R. College's YouTube channel wherein the I/C Principal Dr. Pooja Ramchandani, Vice Principal Dr. Navin Punjabi, faculty mentor Ms. Kanu Priya Sharma, the event volunteers and SUW members expressed gratitude to all the COVID warriors.

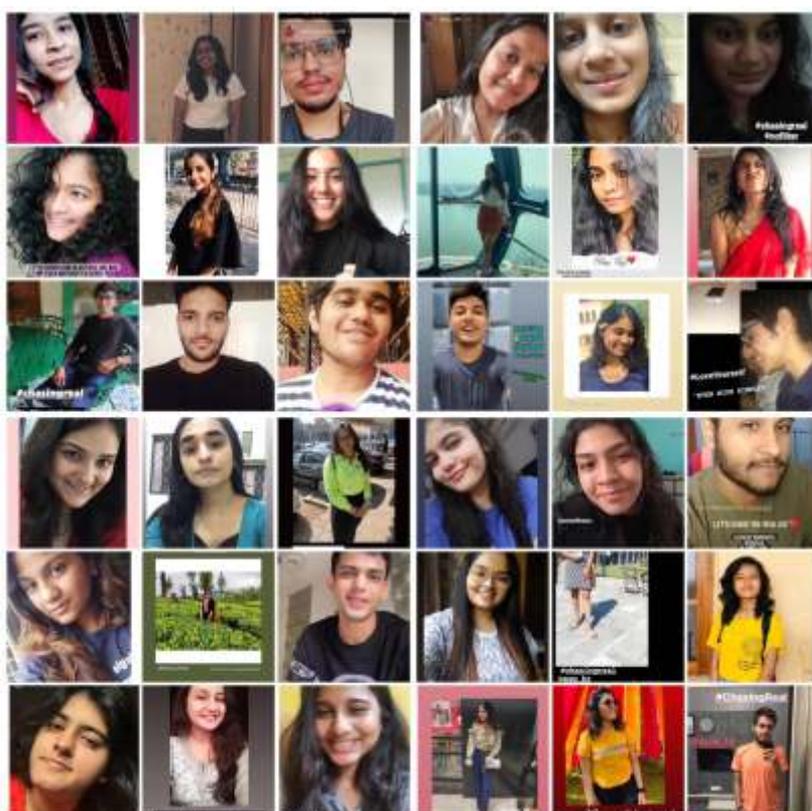

## CHASING REAL

September 18-24, 2020

The main aim of the event was to normalize all the imperfections imposed by the society, begin a filter free era, accept ourselves just the way we are and chase the real us. Student United Way started promoting the event via Instagram and WhatsApp with the help of messages and posters. We asked people to send in their no-filter pictures via google form so as to show society how beautiful we are even without filters or makeup and requested them to post their no-filter pictures on Instagram and WhatsApp by using #chasingreal. 188 people accepted this challenge and posted their pictures without filters by using the hashtag, showing society how they have let their insecurities go.

We asked people to send in their self-acceptance stories, i.e., stories where they questioned themselves for the way they are, whether they were treated differently by society and how they overcame their insecurities. All these pictures were put on our Instagram story as well. 12 people shared their self-acceptance stories while few preferred to stay anonymous. On September 24, 2020, the self-love pictures and stories were posted on our Instagram page. Many found this event powerful as it had a

positive impact on people. Chasing Real helped many to gather the courage to post their pictures in their own skin without fear, insecurity or shame.

## THE TREE PLANTATION CAMPAIGN

September 29 - October 5, 2020

The members of Student United Way commenced The Tree Plantation Campaign to make this world a better place by focusing on the importance of plants in our lives.

The event was promoted on Instagram and WhatsApp by means of posters and messages. We requested people to

send in their pictures and videos of planting, maintaining hygiene and social distancing, considering the pandemic. We created two hashtags for our campaign: #plantspreachlife and #ihelpsuwrgogreen so that people can use them when they post pictures and videos.

Our target was to plant 200 greens but with the help of many we were able to plant 250+ greens. We provided certificates from H.R. College of Commerce and Economics to the ones who contributed. On October 5, 2020, the pictures and videos of people planting were posted on our Instagram page.

## TWO WHEELS, ONE LIFE.

The members of Student United Way of H.R. College of Commerce and Economics, led by Pankaj Mandani, participated in an event called *Two Wheels One Life* where the SUW members volunteered to promote road safety awareness among people. United Way, Mumbai, which is an extension of the International NGO United Way, conducted this event to sensitize maximum people on this important topic.

This awareness campaign was conducted in three stages, which then led to the fourth one. The volunteers were asked to do the following:

- **Road Safety Webinar** - November 6, 2020

Attend a webinar conducted by United Way, Mumbai regarding road safety so that the volunteers get a fair idea of how to promote road safety.

- **Road Safety Quiz** - January 24, 2021

A quiz prepared by United Way, Mumbai was distributed among people, through the volunteers, to gauge the knowledge of road safety in the minds of public.

- **Road Safety Poster Making Programme** - February 3-5, 2021

Ask people to make at least one handmade poster on the topic of road safety. With this activity, road safety is etched in their memory and this helps people to be alert.

- **Road Safety Social Media Engagement Programme** - February 24-25, 2021

Promote six digital posters of road safety prepared by United Way, Mumbai; on the social media handles, so that maximum people can reflect over road safety and the important role it plays in our lives.

Majority of the SUW members participated in this event with great enthusiasm. In the end, the volunteers received certificates from United Way, Mumbai stating that they had successfully become a Road Safety Volunteer by promoting road safety among people. Individual trophies for the same will be distributed soon.

## PROJECT MUSKAN

April 1-6, 2021

The members of **Student United Way of H.R. College of Commerce and Economics** launched *Project Muskan* on April 1, 2021 with the primary purpose of providing some essentials for the underprivileged during the COVID-19 pandemic. Together the volunteers tried to make the ongoing lockdown, in the wake of the covid-19 pandemic, a little easier for the most vulnerable communities who have been victimized further, by donating essentials and contributing towards their betterment.

Messages and posters were created to spread awareness about the persistent challenges faced by the less privileged during the pandemic. Considering the pandemic, the project was only limited to SUW members and was spear headed by Esha Daglia

Members collected items in good condition that they no longer required and donated them to their nearest NGO or charitable organisation or to someone in need. Food and money were not allowed to be donated via this project. The volunteers involved, practiced the necessary health and safety guidelines while disseminating the material. Everyone strictly followed the COVID-19 protocols and maintained social distance while clicking a picture of themselves donating.

The SUW members donated essentials such as clothes, stationery, sanitizers and masks to NGOs and charities near their homes.

On April 9, 2020 pictures were posted on the Instagram page to show how SUW had taken a step towards change.

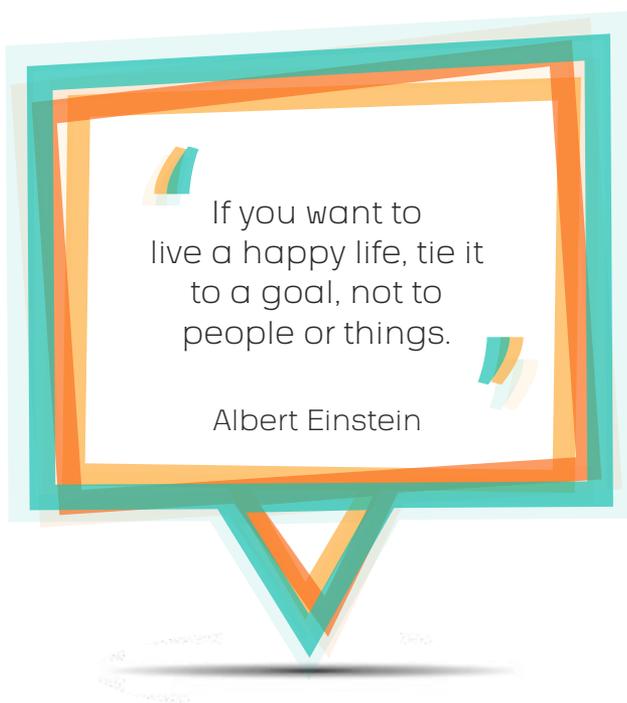

A certificate of participation from H.R. College of Commerce and Economics was provided to all participants of the project, which was a huge success due to their dedication and efforts. For every donation, they got a smile in return!

## FRAME OF MIND

September 12-17, 2020

### PHOTOGRAPHY GUIDANCE SESSION

September 12, 2020

The Women's Development Cell conducted a guidance session as a precursor to the 'Frame of Mind' Photography Competition by photography aficionado, Mr. Janmajay Tiwari, conducted the session.

Mr. Tiwari is a strong believer in women empowerment and portrays it through his work, which enlightened the participants by educating them about the technical aspects of Photography & the empowerment of emotions.

### PHOTOGRAPHY REVIEW SESSION

September 17, 2020

The Women's Development Cell conducted a review session with all the participants of the 'Frame of Mind' Photography Competition with esteemed judge, Mr. Janmajay Tiwari.

He reviewed the various photographs submitted by all the talented participants. He reviewed each entry and shared his valuable feedback for participants. He appreciated all the aspects he liked in their work and pointed out all the flaws that they needed to work on. He shared precious tips and tricks that could help them improve and master the art of photography.

He also explained various technical concepts that left participants in awe of his sheer expertise. He declared the results of the competition and displayed the entries sent by the Top 5 winners. He edited their photos using Photoshop and demonstrated various effects that can be used to further enhance their images. He also enlightened the audience by sharing various editing apps and websites they can use to take impeccably professional images.

This immensely enriching session concluded with Mr. Tiwari's words of encouragement for participants and a vote of thanks.

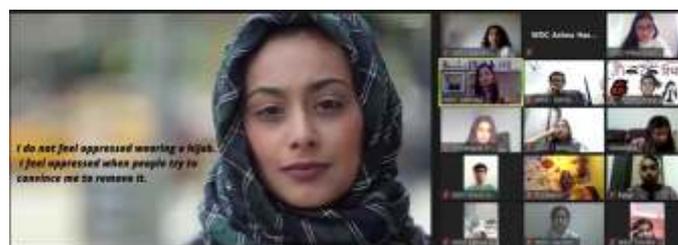

In conclusion, this successful event was the result of team coordination. This event was executed with good promotional activities

## NAZARIYA - THE PANEL DISCUSSION

November 14, 2020

The Women's Development Cell hosted the 'Nazariya' panel discussion to spread awareness about the prevailing rape culture in India and to come up with solutions and steps that we as individuals, and collectively as a society can take to protect our women and men from sexual atrocities and oppression. Our first panelist was Ms. Shraddha Agarwal, a reporter and content editor at the Pari NGO. Our second panelist was R Balaji, a renowned TEDx speaker and LGBTQ rights activist. The third panelist for this event was Ms. Divyangana Trivedi, an author, law student and founder of the Will and Way organization.

The discussion commenced with Ms. Shraddha Agarwal who talked about the misogynistic representation of women in media, the influence of Bollywood on rape

culture and the normalization of toxic masculinity in society. She highlighted how caste and gender hierarchy play a role in doubly oppressing women. R Balaji shared their personal experience of being sexually assaulted as a child and as a male victim of rape. They talked about how they dealt with homophobia and why negative gender stereotypes need to be done away with.

Ms. Divyangana Trivedi highlighted why humanitarianism is the need of the hour. One of the key points she made was that rape is gender neutral and hence laws regarding rape need to be gender neutral too. The panelist wrapped up the discussion by talking about how children need to be taught about gender equality and why sex education in schools is mandatory. It was a very interactive session where questions from the enthusiastic audience were answered.

## ICEBREAKER

After an introduction to WDC there were fun activities to help the members get acquainted. The students showcase their talent, especially singing. The enthusiasm of the members to work towards women empowerment for the betterment of women and the society at large was heartening.

## PROJECT INCREDIBLES

December 6-9, 2020

The Women's Development Cell conducted Project INCREDIBLES, a food donation and sustainability drive. Food and nutrition are basic human rights, but countless people are deprived of food every day and suffer from chronic malnutrition. In order to counter poverty and hunger and to create awareness about the adverse effects of wasting food, WDC came up with this benevolent drive. The project aimed at providing food to needy people in local areas. The members of the club donated home-cooked, healthy & nutritious meals to less fortunate people like beggars, homeless children, slum dwellers, laborers as well as stray animals in their neighborhoods.

In addition to this, the members also came up with a Social Media Campaign, which inspired others to conserve food and donate to the less fortunate. The informative and useful posts on our Instagram page made people aware about how leftovers could be re-used instead

of simply being wasted. Thus, Project INCREDIBLES was completed successfully, taking all necessary precautions and safety measures owing to the pandemic.

## WOMEN'S DAY

March 8, 2021

The Women's Development Cell hosted a Women's Day Celebration to commemorate International Women's Day. The event started with Prof. Priyamvada Sawant reciting a poignant poem. This was followed by an interactive session conducted by Prof. In-charge Mrs. Saleha Syed, where students asked interesting questions and teachers and parents gave their enriching inputs. The discussion highlighted topics like gender roles, sexism, social taboos and stereotypes. The guest speaker Dr. Farhin Katge, who is a Professor and Head of Pediatric Dentistry at Terna Dental College, delivered a motivating message to the audience about how important it is for women to be independent and chase their dreams.

Various dazzling performances were conducted during the evening. The audience witnessed some soulful poems and melodious songs recited by talented students which mesmerized the audience.

An enriching Quiz Session was conducted that made everyone jog their memories as they answered questions about general knowledge, iconic women and their achievements, as well as women-centric Bollywood films.

The celebration concluded with an awe inspiring address by our second guest speaker, Dr. Neha Shah, an ace consulting psychiatrist who motivated women to stand up for themselves and claim their rights & freedom.

## COUNSELING SESSIONS

In light of the increasing Mental health issues in recent times, the club attempted to contend with the dilemma by providing one-on-one Counselling Sessions for the students of H.R. College of Commerce and Economics by collaborating with few counsellors from outside. The highlights of these sessions are as follows:

- The sessions can be availed exclusively by the Degree College students of H.R. College of Commerce & Economics.
- These sessions are complimentary.
- The sessions are conducted online (Zoom/ Google Meet).
- The counselling sessions are provided one-on-one with the counsellor.
- The information discussed during the therapy sessions and all documentation is private and complete confidentiality is maintained.
- Counselling sessions are provided on areas of Stress Management, PTSD, OCD, ADHD, Anxiety, Grief Counselling, Personal Growth, Clinical Depression, Bipolar Disorder, Career, and Relationship Counselling, Dealing with Phobia and Fears, Behavioural & Self-Esteem Issues.

Our Counsellors included Ms. Nikhila Deshpande, Dr. Ganesh Tajane, Ms. Devika Khanna and our Advisor is Ms. Pallavi Vasan. We have also collaborated with an organisation for providing complimentary workshops for the students of H.R. College - The Upper Storey, run by Ms. Devanshi Kanani, Ms. Dhruvi Dharia and Ms. Kinjal Vira.

## HEALIUM: HOPE. HEAL. HARMONIZE.

May 23-28, 2021

The Mental Health Awareness Club of H.R. College of Commerce and Economics organized their launch event "HEALIUM: Hope. Heal. Harmonize."

The event was the club's first flagship event, the first day of which also marked the inauguration ceremony of the club. The event consisted of a wide range of activities, which aimed at healing and spreading love and positivity, as follows:

## LAUNCH EVENT AND WEBINAR ON ANXIETY MANAGEMENT DURING THE PANDEMIC

A webinar conducted with Ms. Raashi Thakran, enlightened the audience as to what is possible to deal with stress and anxiety during this pandemic.

The webinar started with a welcoming speech by I/C Principal Dr. Pooja Ramchandani and an introduction of the club's counsellor partners. It further went on to have

the audience share their stories and inspire each other by speaking words of wisdom about the importance of good mental health.

## LET IT OUT

The second day of the event had the participants let out their emotions and release their bottled-up feelings via any form of art from sketching, dancing, writing to singing. A Google form was circulated for the same, wherein the participants uploaded their entries.

## I AM THANKFUL

The third day of the event was aimed at expressing gratitude, being thankful, and showing appreciation. A series of tasks were shared via a WhatsApp group starting with detox, followed by writing a letter to ourselves, to someone we love/admire, listing down 15 positive things that happened during the pandemic, and lastly, hugging our loved ones. The activities helped in developing an attitude of gratitude among the participants, and feel blessed for the seemingly smaller things in life.

## INHALE-EXHALE

Inhale-Exhale was a Yoga & Meditation session, conducted by Ms. Parmita Shroff who enriched our knowl-

edge about yoga and introduced us to the wonders of meditation in dealing with stress and anxiety, by teaching us pranayama, body scan, breathing exercises, and various yoga poses that can help us calm down our senses.

## A DAY FOR MYSELF

Aimed at instilling the attitude of self-care among the participants, a set of tasks were shared via WhatsApp group to the participants. The day started with asking the participants to meditate for 15 minutes, followed by having a hot water bath. The first task given to them was to read a book or magazine for an hour. Second task was to pamper themselves by applying facemasks. The third task was about making a phone call to a friend or a family member whom they have not spoken for a while. The last task was to binge-watch their favourite TV show or listen to their favourite podcasts without any guilt.

## SAY NO TO STRESS!

The last day of the event consisted of stress buster activities. The participants played a variety of games that focussed on distracting the mind from stress while also making people realize some good qualities about themselves.

The event concluded with sending giveaways to the participants. The giveaway was a pdf comprising of various books, quotes, short films, and Spotify playlists, to help the participants in their dark phases, uplift their mood and motivate them not to give up on themselves.

100+ people registered in this week long event and participated in various activities. The activities were very much liked and appreciated by the participants, as it helped in healing invisible wounds, with the hope for things to get better in life, while realizing the importance of self-care and self-love. The efforts of the club members and volunteers resulted in a successful execution of a meaningful event.
