H.R. COLLEGE OF COMMERCE & ECONOMICS

CHARTING A COURSE TO EXCELLENCE IN COMMERCE EDUCATION WITH VISION & LEGACY

Colleges face the challenge of striking a balance between providing students with a broad spectrum of knowledge and fostering in-depth practical experience. Achieving this equilibrium involves a multifaceted approach that integrates comprehensive curricula with hands-on learning opportunities. Through the adoption of inventive teaching approaches, partnerships with industries, and extracurricular involvement, educational institutions have the potential to enable students not just to comprehend diverse subjects but also to engage actively in real-world situations. This ensures a comprehensive and fulfilling educational journey, with H.R. College of Commerce & Economics standing as an exemplar of an institution aligned with this visionary approach.

Established over six decades ago, H.R. College of Commerce & Economics has emerged as a great illustration of academic brilliance in Mumbai's educational landscape. From its humble beginnings to its current stature as a leading institution, the college's journey is a testament to resilience, innovation, and persistent commitment to quality education.

Inception & Evolution

Founded in 1960 by Seth Hassaram Rijhumal, Principal K. M. Kundnani, and Jyotu Kundnani alongside Principal H.C. Malkani, Hassaram Rijhumal College of Commerce & Economics traces its origins to Hyderabad Sind in 1945. Affiliated with the University of Mumbai since its inception, the college's stellar NAAC achievements prompted the Maharashtra government and RUSA to recommend establishing the Hyderabad Sind National Collegiate Cluster University. HR College of Commerce and Economics, Mumbai, was designated as the lead college, with KC and BTTC as its constituent colleges.

Dr. Pooja Ramchandani,
Principal

Presently, HR College operates as the Lead and Constituent College under Hyderabad Sind National Collegiate (HSNC) University, Mumbai, established under the Maharashtra Public Universities Act, 2016. This milestone was officially recognized through a Government of Maharashtra Notification dated October 30, 2019. The college's journey epitomizes resilience, excellence, and a lasting contribution to higher education.

Curriculum Enrichment

The institution embraces the recent National Education Policy, aligning practices with its objectives and focusing on outcome-based education for essential skills and competencies. H.R. College's enriched curriculum, shaped by academia and industry inputs, prepares students for modern demands. Covering commerce and economics comprehensively, it includes business, finance, marketing, and entrepreneurship. Industrial visits complement theoretical knowledge, while expert sessions update students on industry trends. Additionally, certificate courses enhance skill sets. This holistic approach ensures graduates are well-equipped for global business challenges, reflecting the institution's commitment to a contemporary and practical learning experience.

Furthermore, at the heart of H.R. College's success are its dedicated faculty members, carefully selected for their expertise and obligation to nurture future leaders. Speaking more on this, Dr. Pooja Ramchandani, the Principal of H.R. College of Commerce & Economics says, "Our college ensures faculty excellence through rigorous employment processes and continuous professional development, providing high-quality education. Additionally, H.R. College offers scholarships and financial assistance, making higher education accessible. These initiatives alleviate financial burdens and empower talented students to pursue academic aspirations freely. Moreover, our college facilitates international opportunities, broadening horizons and enriching educational experiences."

Fostering Holistic Development

"Ensuring a conducive environment for hands-on training is our college's top priority. Our modern infrastructure meets evolving student needs, fostering academic and practical learning. Equipped with audio-visual aids, our classrooms promote interactive sessions", shares Dr. Pooja. The library offers a vast collection of resources, enhancing research capabilities. Campus-wide Wi-Fi ensures seamless online access. Recreational facilities promote student well-being. Ongoing structural repairs and technology enhancements enhance our modern infrastructure, providing a holistic educational experience. Integration of a Learning Management System supports content management, consistent learning delivery, assessments, communication, progress tracking, flexibility, and security. These efforts

equip students with the skills and knowledge for success in their chosen fields.

Moreover, today's dynamic business landscape underscores the essentiality of industry-academia partnerships to ensure that educational institutions stay relevant and responsive to industry requirements. H.R. College actively collaborates with various industry bodies, offering industry-driven speaker sessions, internships, and placements to its students. These associations not only provide valuable insights into current industry trends but also enhance students' employability and readiness for the professional sphere, through guest lectures and collaboration on a regular basis.

Innovations & Future Directions

The college's commitment to excellence and high standards is recognized through ISO certifications: ISO 14001:2015, ISO 9001:2015 from BlueStar, and ISO 50001:2018 from Staunchly. ISO 14001:2015 highlights environmental management dedication, ensuring minimal impact through efficient systems. Additionally, H.R. College of Commerce and Economics ranked No. 1 in the Commerce College category and No.6 among Management institutions and colleges in the BMS Category in the State of Maharashtra in the Best Colleges, 2023 Zone-wise ranking conducted by Open the Magazine, the weekly current affairs and features magazine, the flagship brand of Open Media Network, the media venture of the RP-Sanjiv Goenka Group. Adding to the achievements H.R. College of Commerce and Economics has also been recognized as one of the Top 10 Colleges for Economics in India by Higher Education Review in 2023.

H.R. College remains dedicated to innovation and excellence in higher education, emphasizing the introduction of new programs, expansion of international partnerships, and adoption of innovative teaching methods. These efforts aim to elevate education quality and enhance student outcomes. Rooted in core values of academic integrity, social responsibility, and inclusive growth, H.R. College continues to shape future leaders and contribute positively to society. With a rich legacy, commitment to educational reform, and unwavering pursuit of excellence, the college has solidified its position as a leader in higher education. As it looks ahead, H.R. College is resolute in its mission to empower students, drive innovation, and uphold the highest standards of academic integrity, ensuring a bright future for all.
