

# Inter Collegiate Events Organised

The Students That are Willing to Go An Extra Mile for their College Event Must be Part of the Fest Organizing Committee

## INNOV8

August 21-22, 2024 Attendees: 600

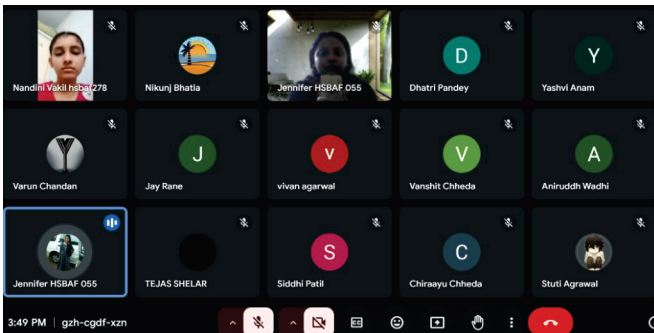

This event conducted by the Insight Club brought together over 600 students from 25+ junior colleges for two days of innovation-driven competition. From web design (HTML) and spontaneous debates (Deb8) to strategic games like FUT11 and high-energy esports events like CODM and BGMI, the fest blended technology, strategy, and creativity. Business acumen shone in events like Stocks and Launchpad, while the Talent Arena added a fun, creative twist. KES College was crowned Best College, with LS Raheja as Runner-Up and St. Andrew's College winning Best Contingent Leader.

## Math-O-Mania

December 24, 2024 Attendees: 50+

The Math Club celebrated the birth anniversary of Srinivasa Ramanujan with 50 enthusiastic participants on Google Meet. The event featured two engaging competitions: a Meme Making contest that blended math with humor, and a thrilling Math Quiz testing problem-solving and knowledge. The program began with a tribute to Ramanujan's legacy, setting a thoughtful tone for the evening. With creativity and intellect on full display, Math-O-Mania successfully honored Ramanujan while fostering a fun, interactive appreciation for mathematics.

## Mystery Maze

October 23, 2024 Attendees: 80

This event by Math Club brought together 80 students for a dynamic intercollegiate event focused on sharpening analytical and problem-solving skills. Held on campus from 11

AM to 4 PM, the competition began with an elimination round followed by a challenging final round featuring the top 8 teams. Participants tackled complex math problems collaboratively, showcasing strategic thinking and resilience. The event concluded with a prize ceremony celebrating the top three teams, leaving students inspired and appreciative of the well-structured, intellectually stimulating experience.

## Inquest 4.0

September 26 & 27, 2024 Attendees: 80+

Inquest 4.0, the flagship event of the Research Cell at H.R. College of Commerce & Economics, is an annual academic competition designed to promote research, critical thinking, and innovation. This event offers students a platform to engage in intellectually stimulating activities that challenge their knowledge and creativity while providing opportunities to interact with industry experts and researchers. The 2024 edition, Inquest 4.0, continued the tradition of fostering academic curiosity, with participants competing across a range of thoughtfully curated events over two days.

## Naandi

January 22-24, 2025

NAANDI 2025, organized by the Marathi Vangdmay Mandal of H.R. College from January 22-24, celebrated nine vibrant years of promoting Marathi culture and talent. The three-day intercollegiate fest featured events across literature, fine arts, performing arts, and informal segments. Highlights included Lavani performances, creative competitions, and engaging informal activities like Face of Naandi and short films. The event witnessed enthusiastic participation and appreciation from students across colleges. St. Xavier's College emerged as the winner, with M.L. Dahanukar and Ramnarain Ruia Colleges as runners-up, making NAANDI 2025 a resounding cultural success.

## Eminence 2025

February 10-12, 2024 Attendees: 14

This event was organized by the Young Leaders Club of H.R. College, was a dynamic celebration of innovation, strategy, and creativity. The event featured a range of intellectually stimulating competition - from storytelling and market dominance to mystery-solving and escape challenges—that tested participants' decision-making, problem-solving, and leadership skills. With each activity designed to push limits, participants left the event not only with victories but also with valuable experiences and lasting memories.

## BLAZE
